1973 Junior-Senior Prom Finds

The Junior Class worked diligently to provide the Seniors with an evening full of memories they would always treasure.

Billy Ivey and Shirley Barnhart were crowned King and Queen of the 1973 Junior-Senior Prom.

Meadowbrook, a band from Georgia, played both rock and soul music to everyone's pleasure. The Prom was a success and the Juniors deserve much credit for a job well done. Much appreciation is also due to the Junior Class sponsors, Mrs. Judith Grinnell, Miss Katherine Kalevas, and Mrs. Phyllis Overton. The waiters and waitresses also deserve thanks for their hard work.

Everyone enjoyed the Prom, and as the couples left to go home, it was evident by the looks on their faces, that they had indeed found "Peace in the Valley of Love."

TOP: Members of the Prom court left to right are Rick Hazlett, Psyche Davis, Mike Hoadley, Shirley Wingate, Charles Stevens, Kathy Kucas, Mike Fernandez, and Karen Brawn.

LOWER RIGHT: Mrs. Grinnell, who was one of the Junior Class Sponsors, contributed many hours towards the success of the Prom. The Junior Class wishes to extend a special thanks to her for her hard work. Sincere appreciation is also extended to Mr. Donald Warren, who worked on the lights and scenery for the Prom.

Crowning of Vernette McKinnon

Climaxing a week full of spirit and activity, Vernette McKinnon was crowned this year's Homecoming Queen.

Vernette was sponsored by senior Ernest Butler and escorted at halftime by David Hollingsworth.

She was chosen out of a field of eighteen candidates by the majority of the student vote. Each senior football player has the privilege of sponsoring a candidate as his choice for Queen.

All candidates and sponsors were first introduced to the student body at the pep rally Friday. At halftime during the game, the girls were escorted onto the field to the tune of "This Girl's in Love With You," presented by the Reid Ross Marching Band.

Last year's queen, Miss Sherri Sheptak, crowned the new queen.

Vernette is an active participant in Tri-Hi-Y, girl's basketball, Student Council, and varsity cheerleading.

Cougar Spirit Prevails

October 15-19 was Homecoming week at Reid Ross. The week started with Monday being school colors day. Tuesday was "crazy" day. Crazy hats and socks were worn by many typifying the high spirits of the day. Wednesday came with a fierce rivalry between homerooms, as many tried to win the door prize by decorating the best door. Senior homeroom 12-2 won the contest. Thursday's activities included the traditional bonfire. Also, many spirited Cougars showed their support by participating in the calvacade, Friday afternoon. The climax of Homecoming came with a 14-6 victory over the Richmond County Raiders.

Joyce St. Clair Reigns as

On Thursday, November 15, the lovely Joyce St. Clair was honored as our 1973-74 Miss R.H.S. Joyce smiled through happy tears as she was presented to the cheering audience. Chosen out of 133 contestants, by a panel of four judges, Joyce was sponsored by Mam'selle and Mrs. D. Usher.

The pageant extended over two nights with the coronation of Joyce being the second night. The first night was highlighted by the announcement of Miss Congeniality, who was chosen by the contestants, with regard to whom they feel is the most friendly and helpful contestant. Martha Povich won this honor.

Entertainment during both evenings was provided by the band "Ivy." The first evening Jan Ridgen sang folk songs and Joyce Irby sang contemporary hits the second night.

Much credit should be given to the junior class for the outstanding success of their pageant.

Ross

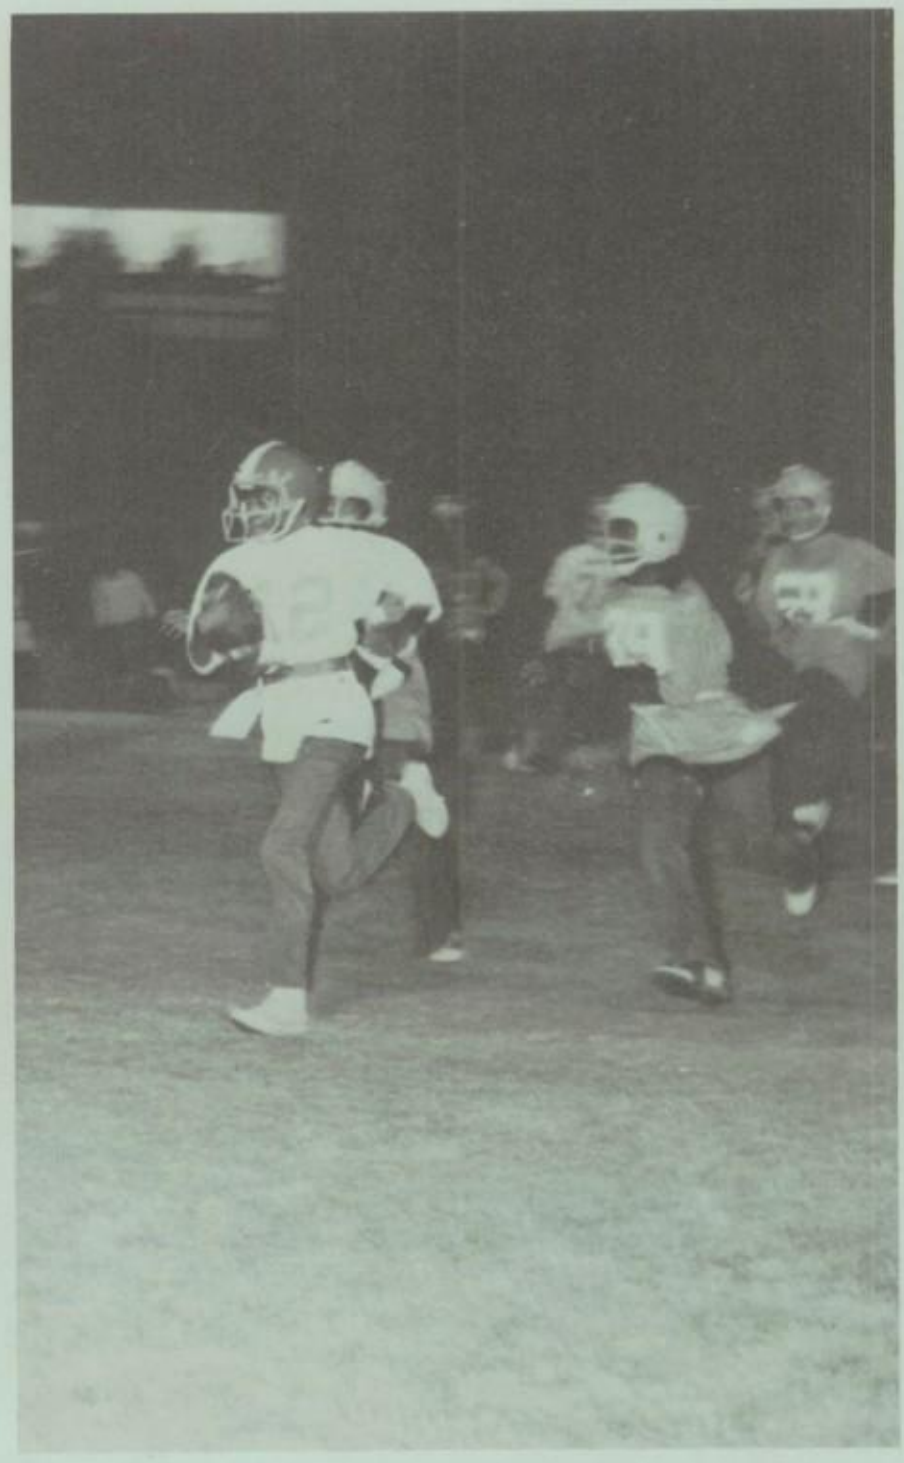
On November 3rd, the Ross Student Council sponsored the annual Sadie Hawkins Dance. Music provided by Soul Express kept the feet stomping and hands clapping. All the "down home" folks enjoyed the music til the midnight hour.

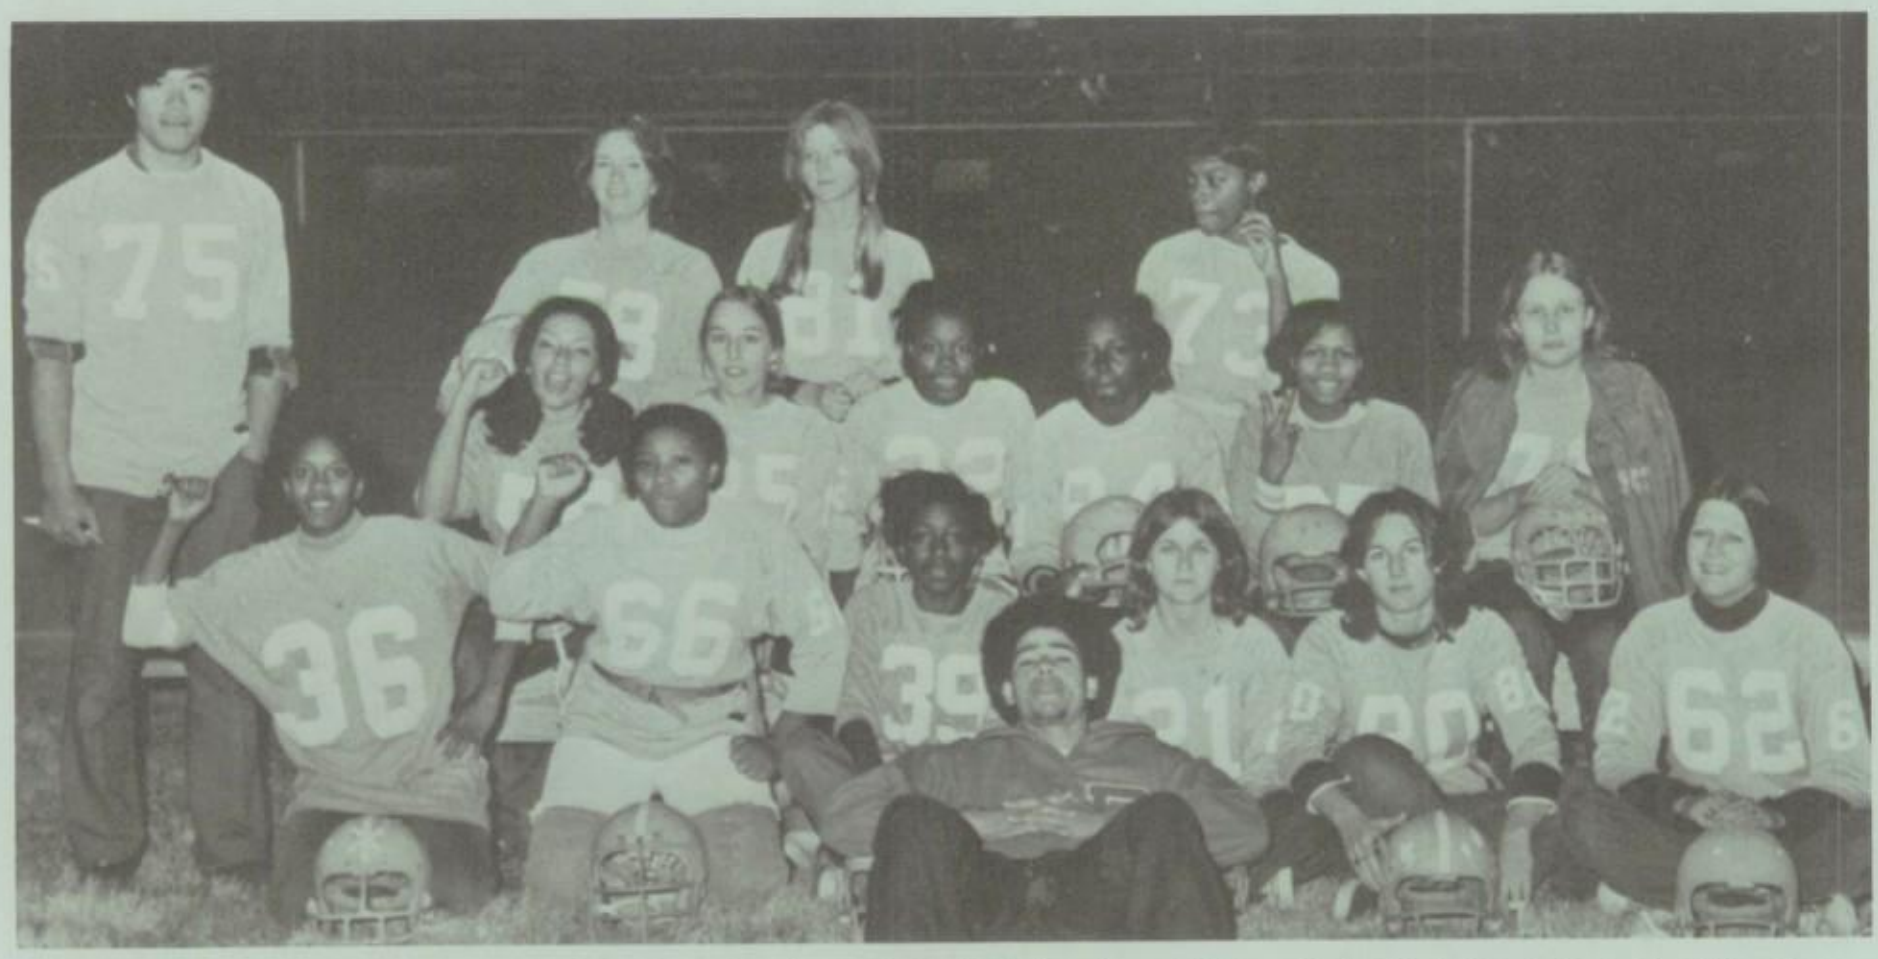
The 1973 Powder Puff Game:

Class rivalry was deadlocked in an 8-8 tie in the annual Powder Puff game. Scoring for the Seniors, Beverly Davis also showed her skill as quarterback. The lone score for the Juniors came from Sandra Perkins.

During the halftime activities, Senior Sandy Lewis was crowned "Mr. Powder Puff." His court consisted of Billy Forbes, Randy Barefoot, Arnold Greenwell and Charlie Powers. The sophomore class entertained the crowd with a dance routine led by band leader, Mr. Philip Stockdale.

The battle of the classes left the Seniors disappointed with a tie.





Senior Stars: Coach John Vaivao, Kathy Davis, Shirley Smith, Glenda Newell, Kendle Philips, Sharon Williams, Corina Wade, Beverly Davis, Rose West, Diane Harris, Lorraine Williams, Thomasa Nash, Melody Cothren, Lynn Barnhart, Anne Lyons and Coach Bernard Smith.

The Student Council of Reid Ross High School provides a valuable service to its students. Working in co-operation with Mrs. Canady tries to initiate a better understanding between the students and the faculty. A vital organization, the Student Council carries on functions such as, the annual Sadie Hawkins dance, refreshments at the basketball games, and the annual Talent Show. The Student Council is often taken for granted but, its everyday value is beyond compare. We would like to express our appreciation for the service and sacrifice these chosen few have shown.

Blue VICA

The Vocational Industrial Clubs of America is a newly formed club designed for all students especially those enrolled in Trade and Industrial courses. This is the second V.I.C.A. club at Reid Ross and for identity purposes is called the Blue VICA Club. VICA is primarily concerned with the development of leadership, character, and citizenship. Participating members also develop fellowship, self-confidence, personality, poise and learn parliamentary procedures. Club activities serve both school and the community needs. Competition is encouraged through participation in State and national contests in subjects varying from public speaking to a trade skill. The contests are intended to motivate and develop enthusiasm for learning and accomplishment that will help trade, industrial and technical education students take their place in society.

Despite its cumbersome size, the science club has been able to do some things this year. They spent a morning in October plying the people at the Womack Hospital laboratory with questions and another intriguing morning at the psychiatric ward. They're planning some other field trips for the near future, too. Among these is a trip to the city sewage treatment plant. The science club is open to juniors or seniors that have taken or are enrolled in chemistry or a higher science. Sophomores that have an A average in biology or are approved by their teacher and the sponsor are eligible. The sponsors of the science club this year are Mrs. Cannady and Mr. Barnes.

ARMY ROTC is a course designed to perfect and develop the essential qualities required for military and civilian life. Along with the school, ROTC provides an adequate background of knowledge for effective leadership.

During the cadet's first year of ROTC, he learns about the Military's customs, rules, history, courtesies, and leadership.

The second and third years of ROTC, the cadet develops military tactics and takes on responsibilities that will assist him and his country.

The 1973 Girl's Tennis Team streaked to a .500 season in their first year of existence. Under Coach "Judy" and her pink warm-up our inspired women of the world had one player undefeated. Margo Carper until and unfortunate accident took her leg; and sent we three players to the sectionals. Not having courts to practice on, they traveled to Smith to keep in shape. Much can be said about the ability of our dedicated players, but finishing second in the conference is very respectable.

Almost finished!

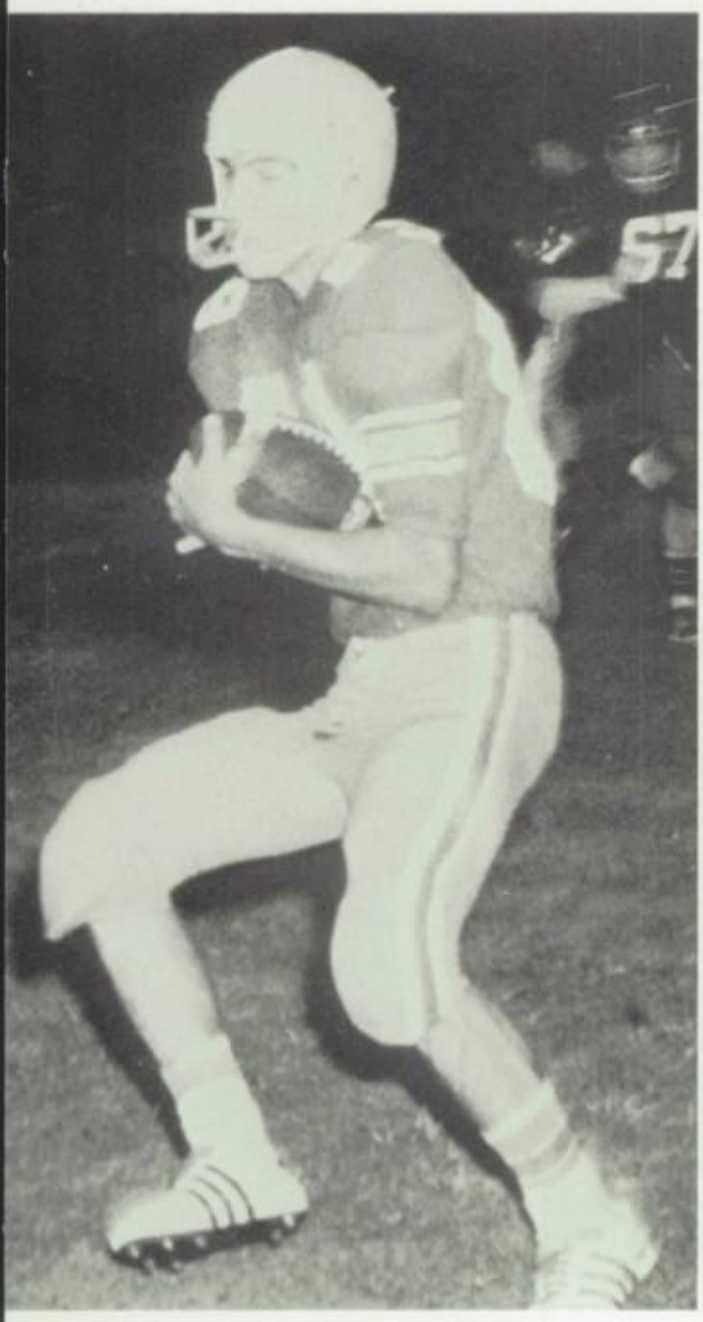
Cougars Dominate First Two

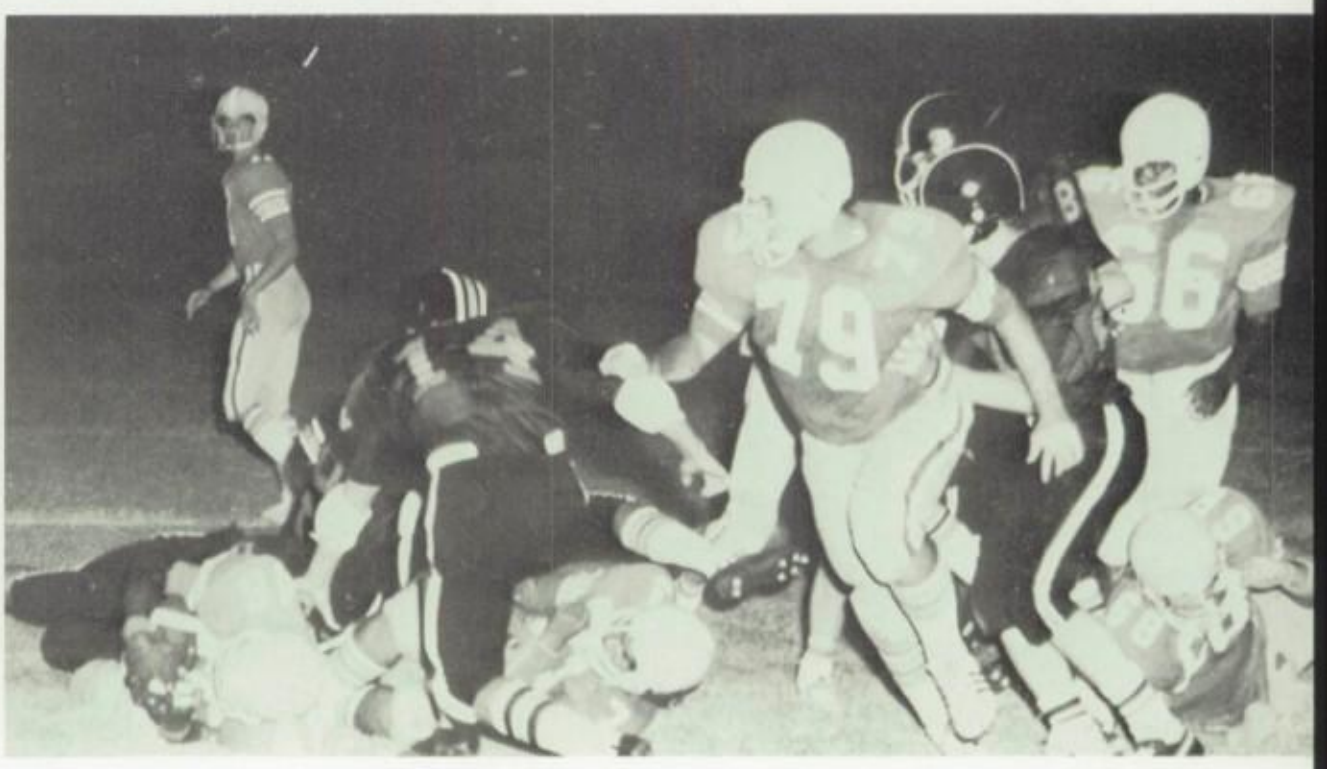
Sheer determination drives Pittman to the goal line.



"It's mine and you can't have it!"

Our instrument of destruction!

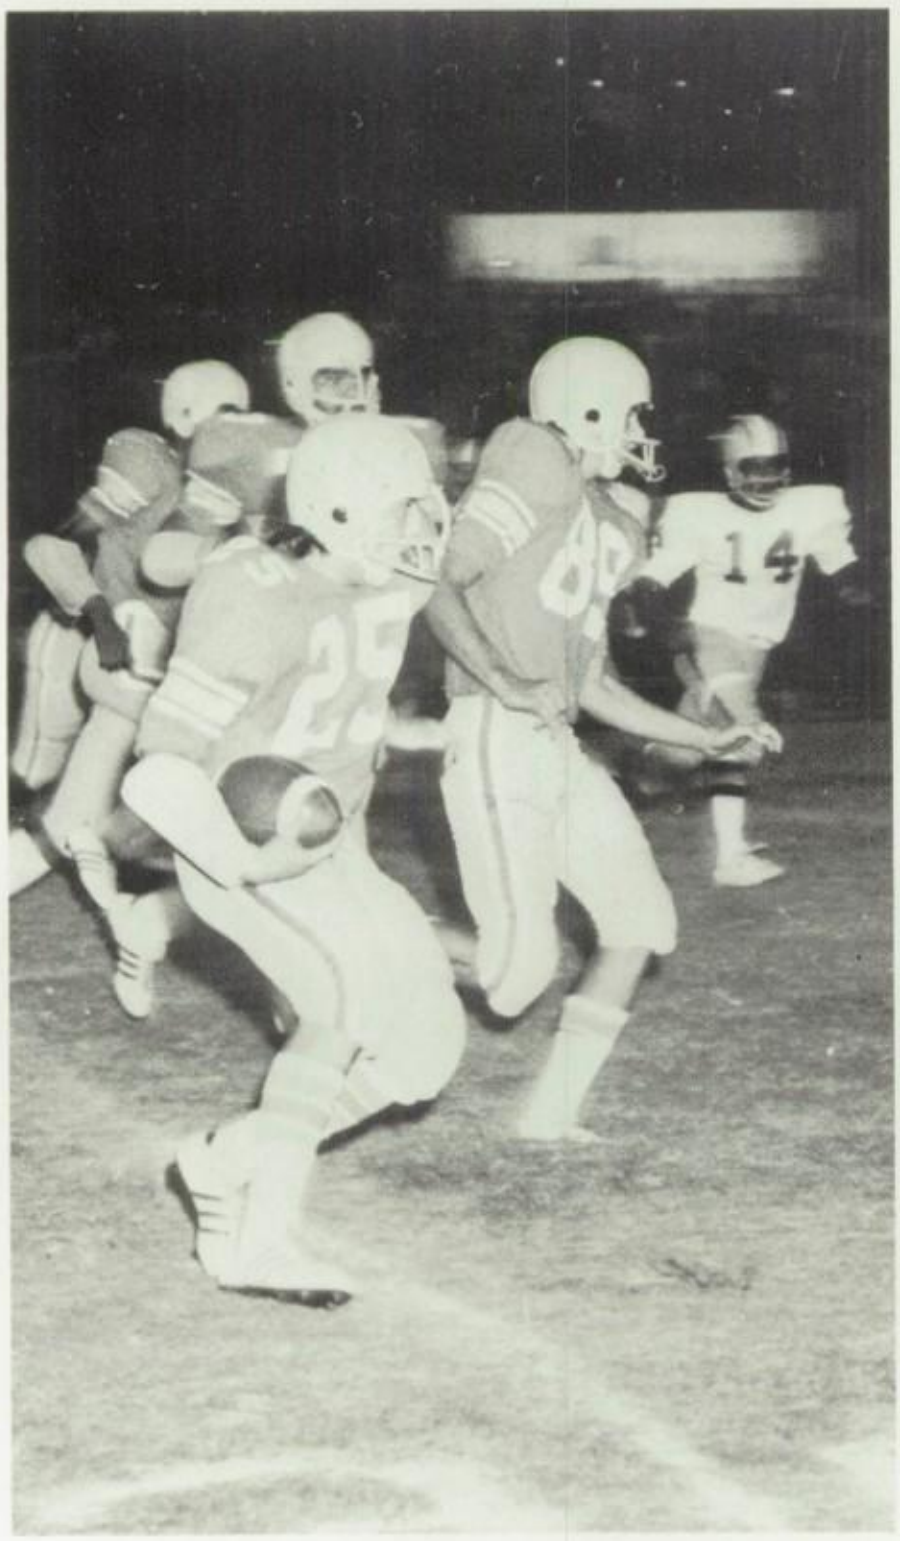
Ross opens its varsity schedule by swamping the South View Tigers 41-0. What a way to begin; in style! Ross fans sat through a drenching storm to see their Cougars demoralize Pine Forest 19-0. The first two games indicate the way the season will progress for the Reid Ross "Fighting Cougars."



Beasley scores six again!

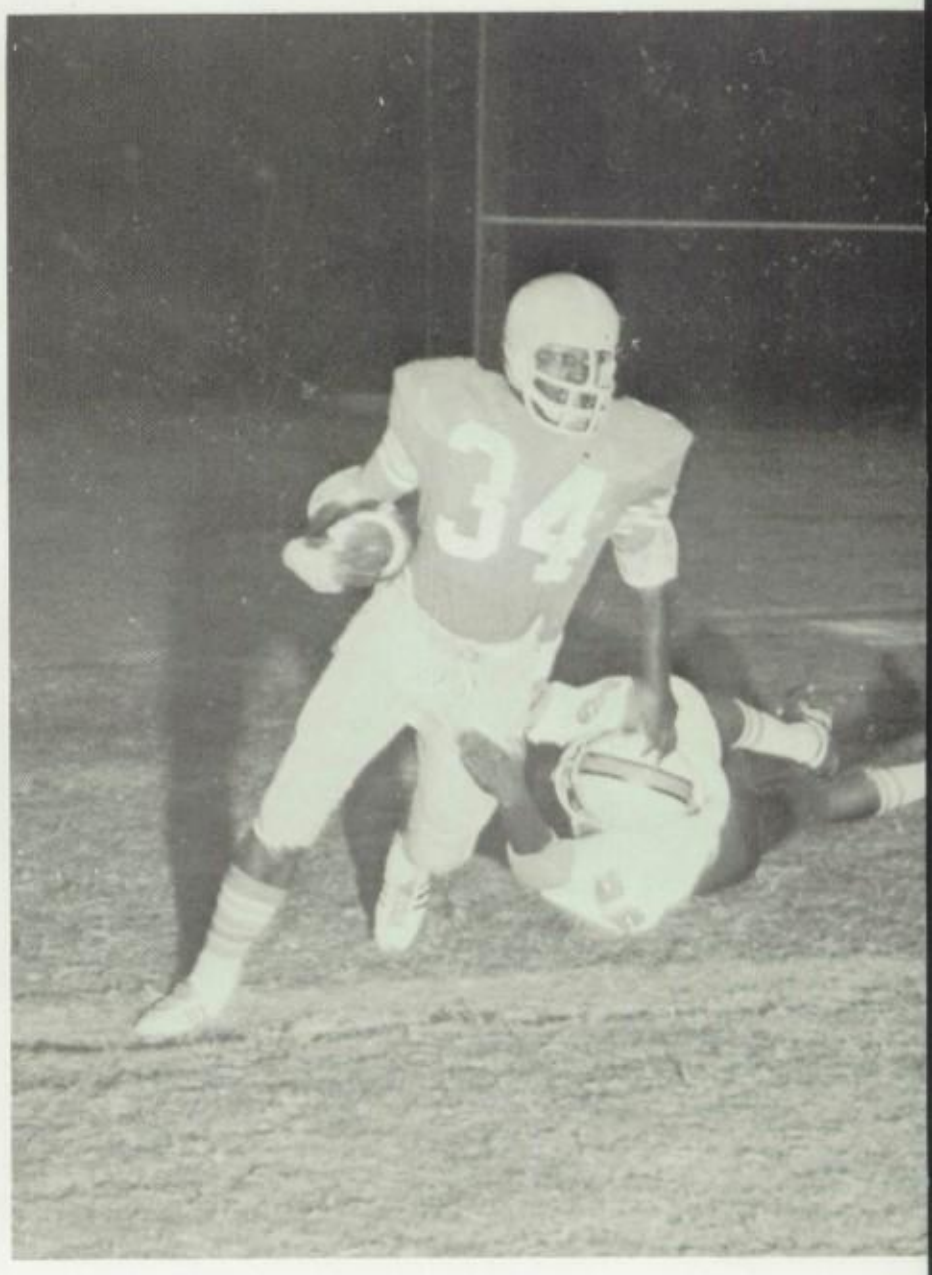
High Flying Eagles Fall!

"This way to the gate!"

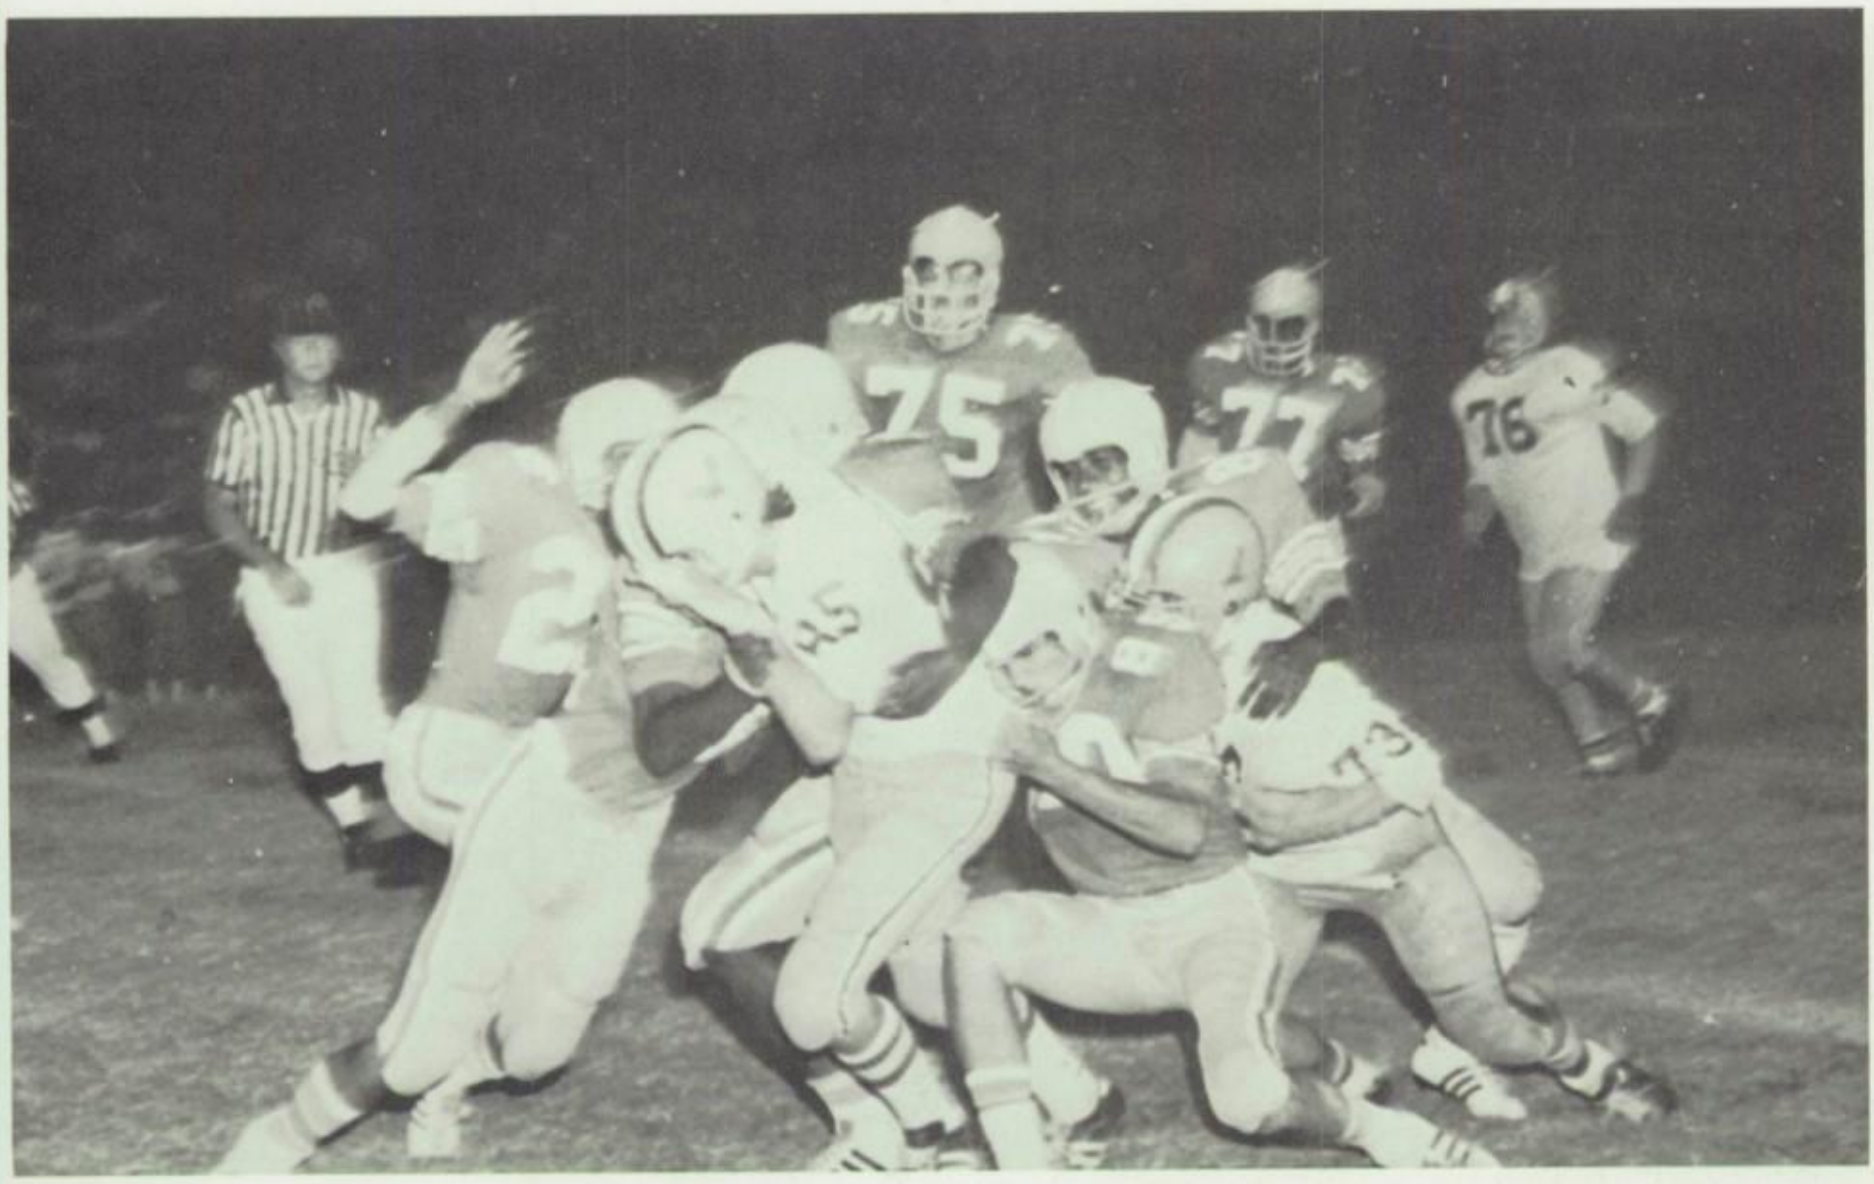


Pitts doin' it again!

The expectations of the reigning 3-A champions was short-lived as the Cougars cake-walked over Byrd by the score of 35-0. Our first conference victory was also "sweet." The Cougars bombed the Bearcats of Wadesboro 34-6. The Orange Machine surrendered their first TD of the season.

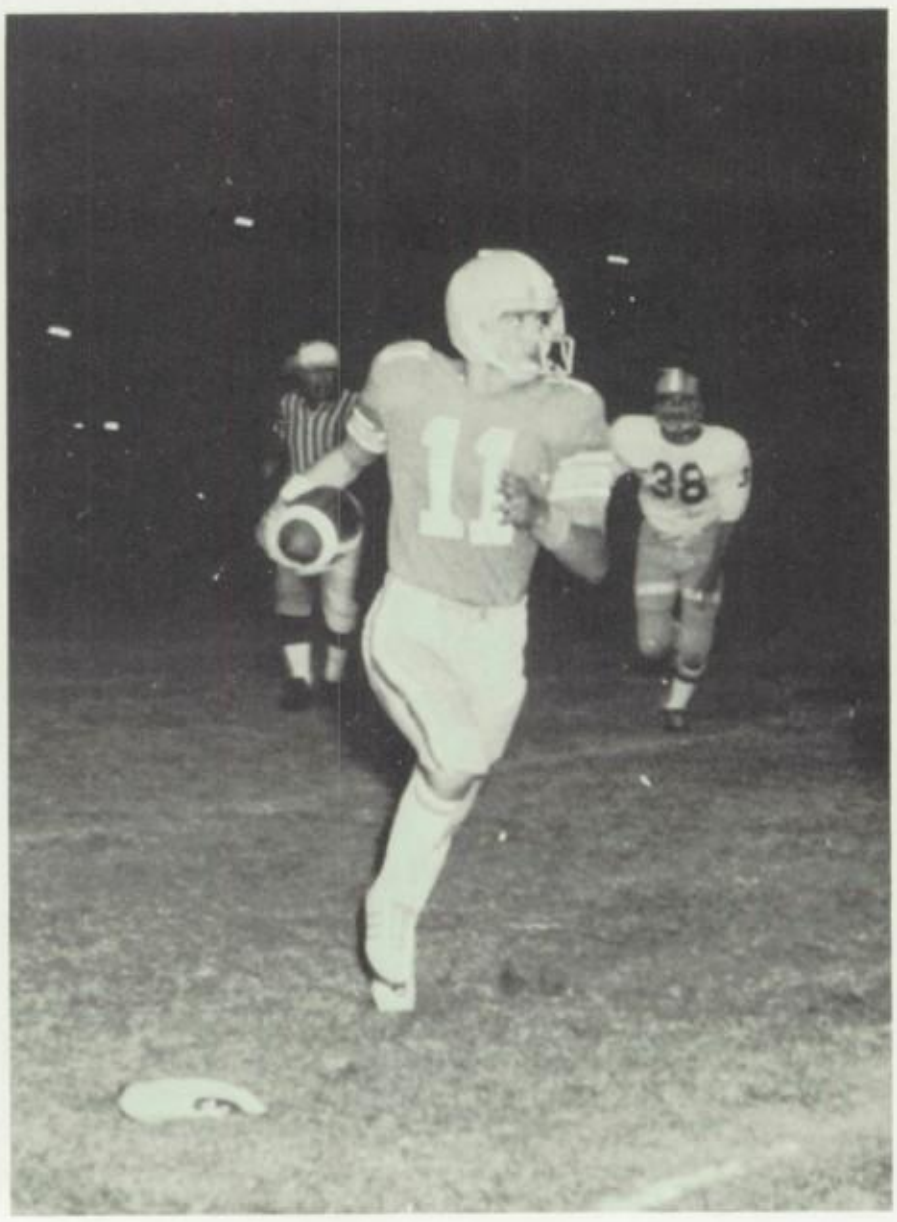


Bowman Bows to King Cougars



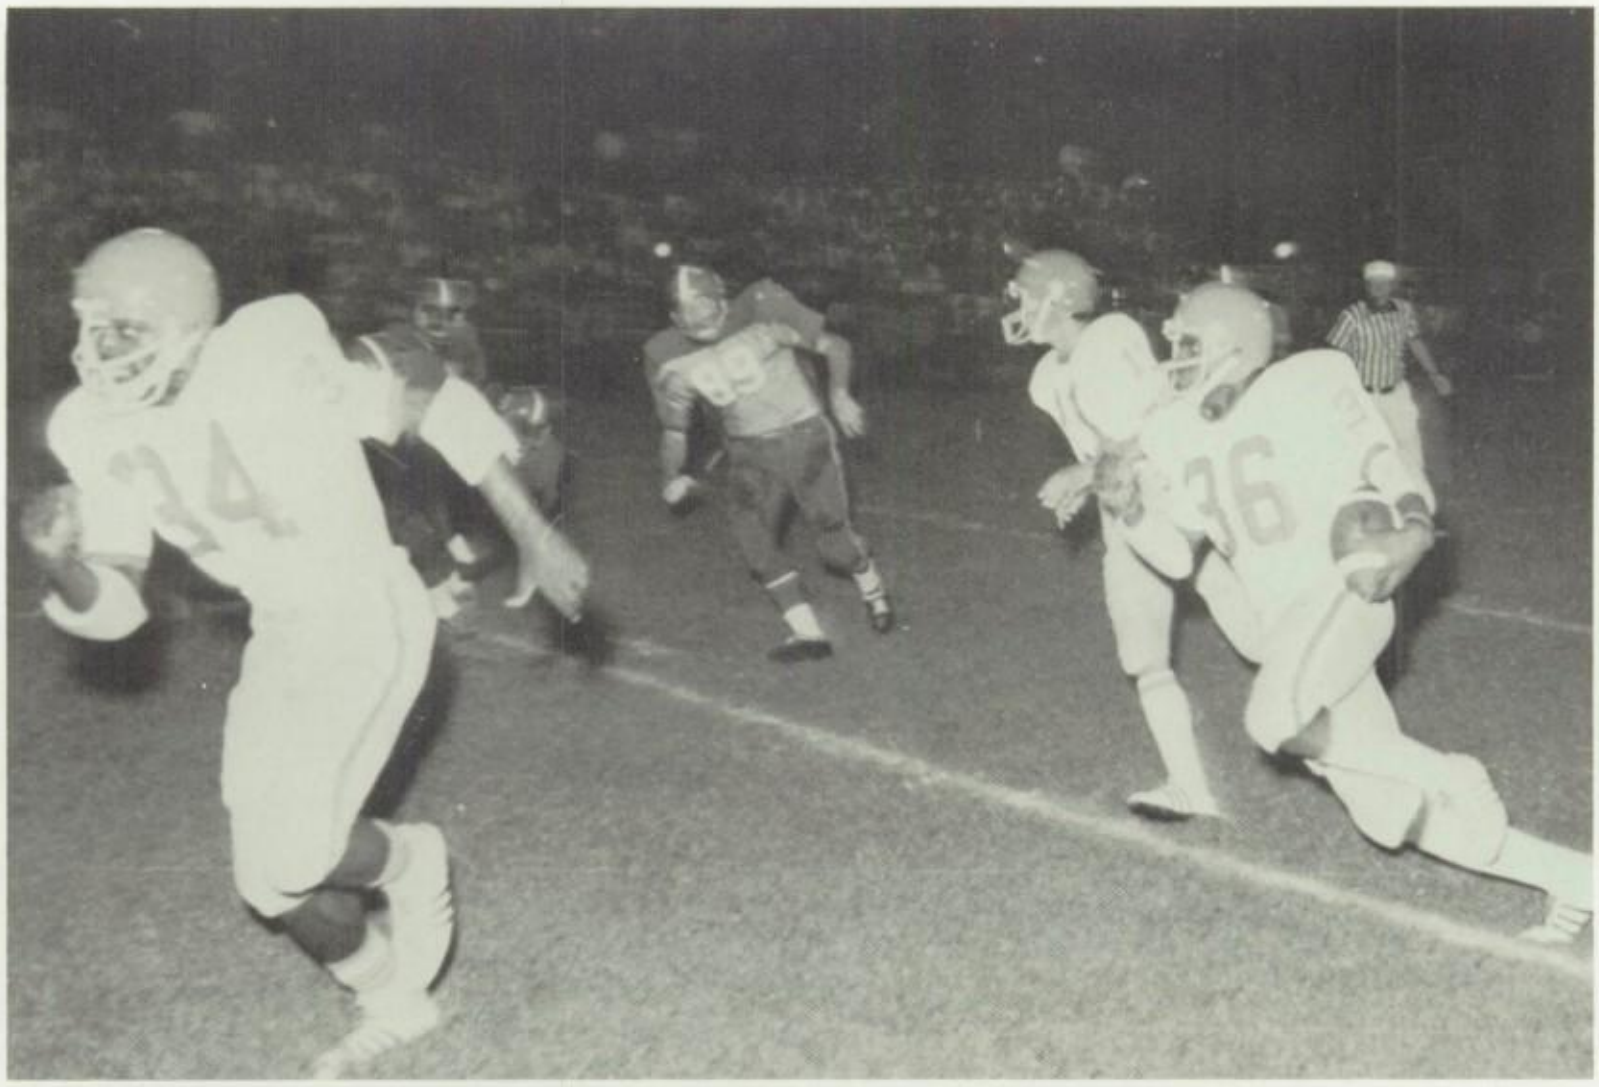
"We've got you covered!"

Joe would make any line look good.



"Boy do I feel good all under!"

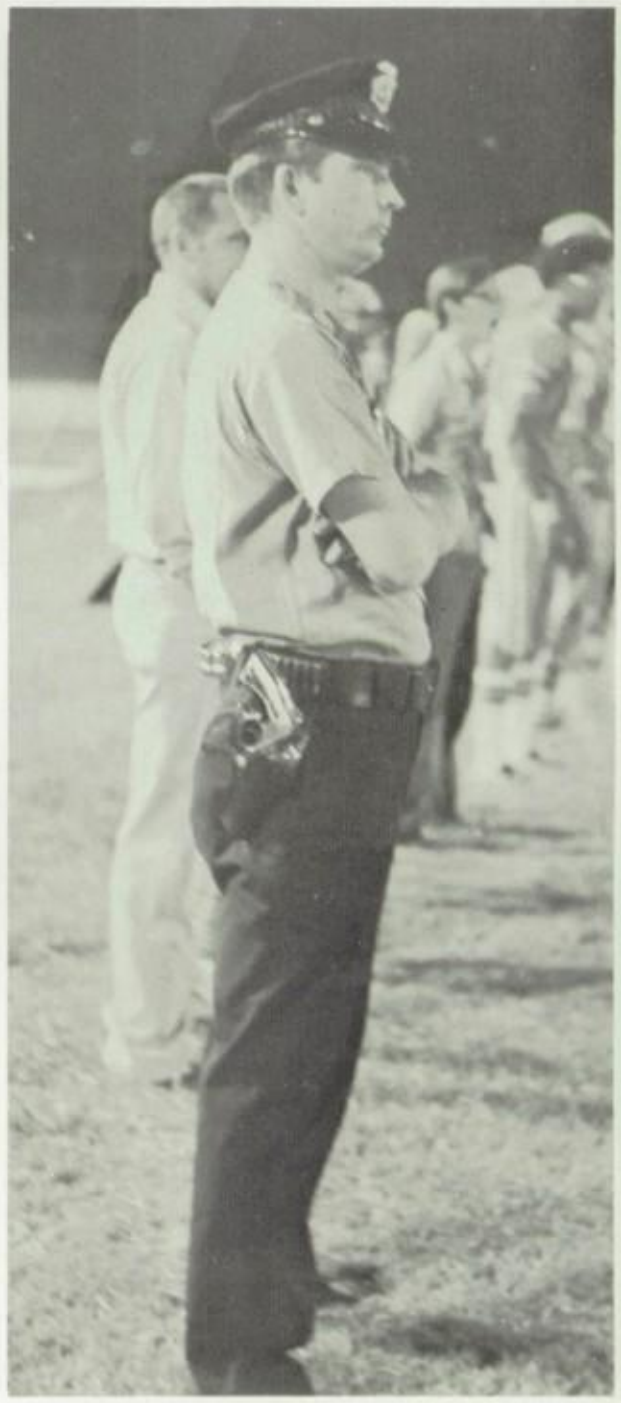
Ross Pulls Skirts off Scots!



Ernest and Company make it for the big 6.

If Reggie can do it I can too!

This is the first time we faced Laurinburg and hopefully not our last. Behind "Joero" our Cougars beat the skirts off the Scots 42-0. Cape Fear was our next victim. The Cougars stampeded the Colts by the score of 27-0. Sophomore Eddie Bulen and senior Gary Pitts highlighted the evening activity by each scoring touchdowns. This brought the "Crunch Bunch" record to a sterling 5-0.



An over emotional Ross fan.

Cougars Buck by Colts!

"When we're 42 points ahead, we can afford to ride the pine!"

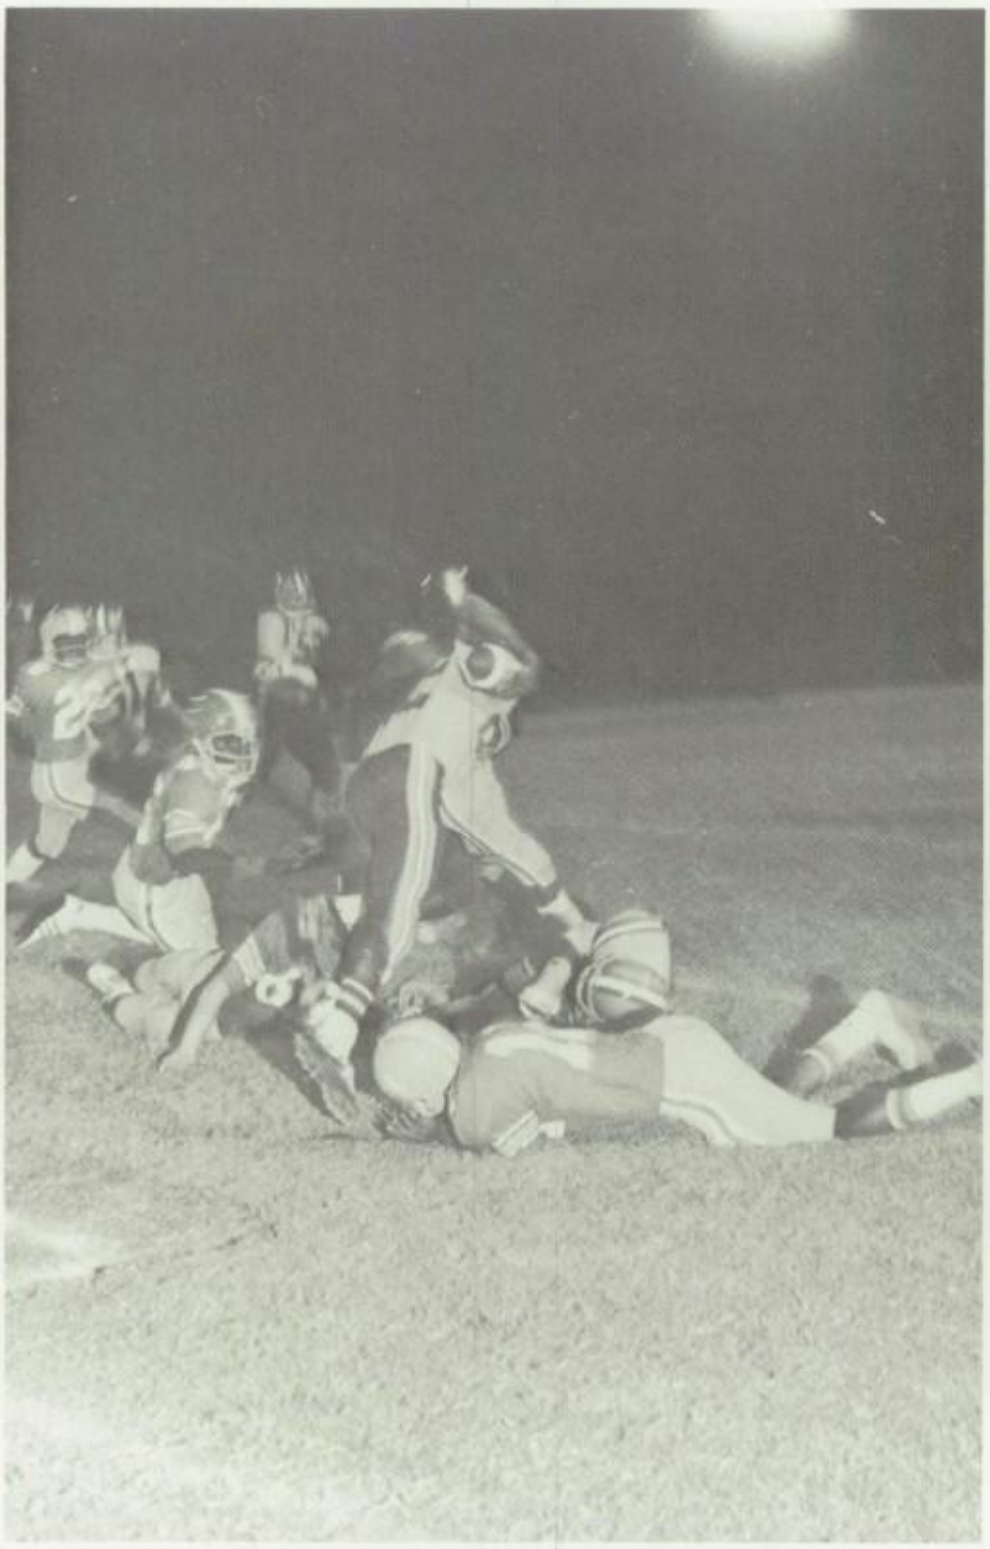
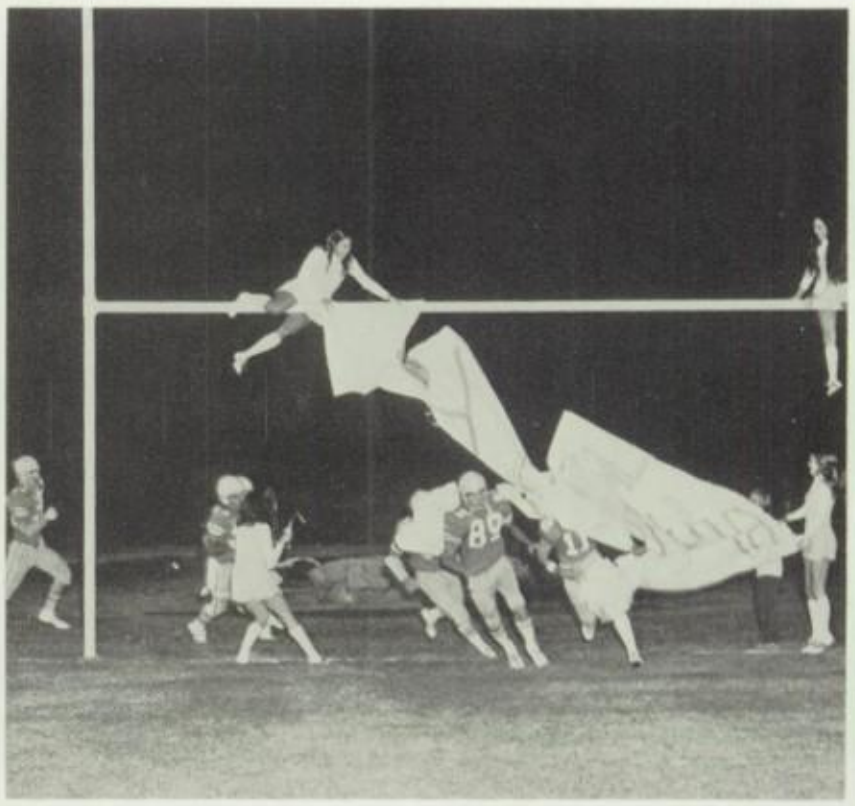
"Whup 'em upside the head!"

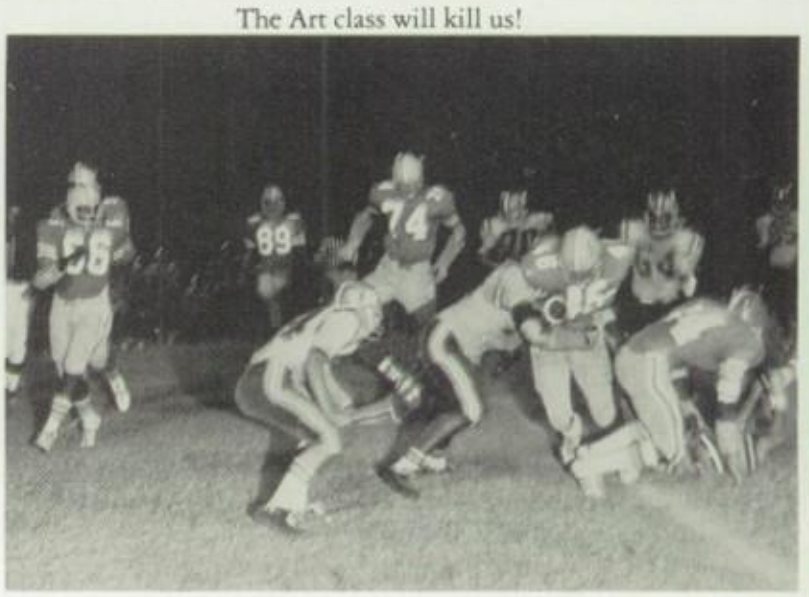
Homecoming 1973!



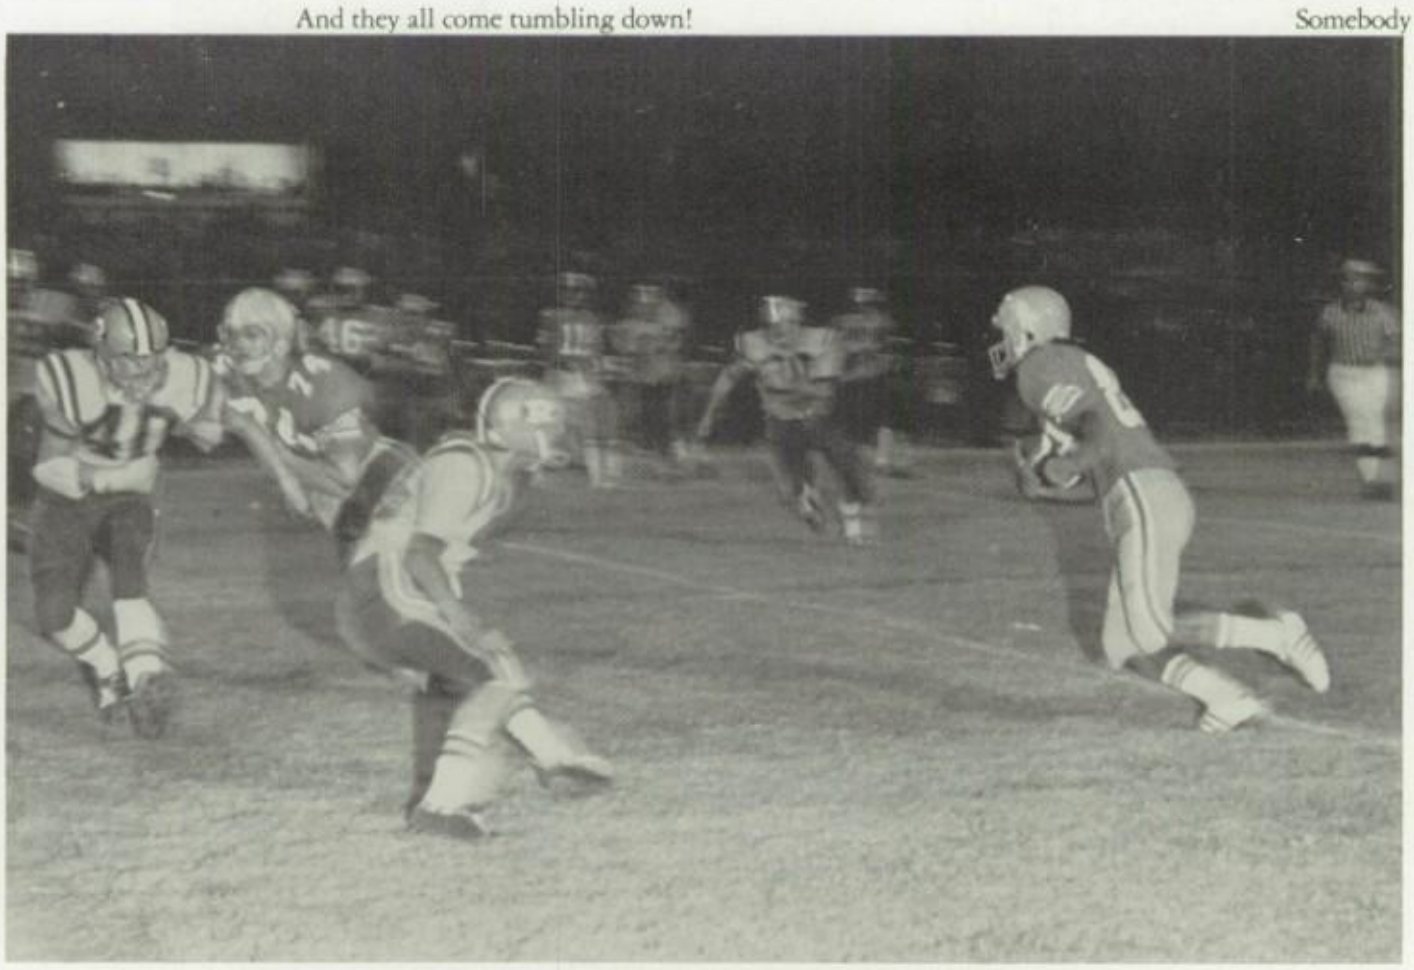
And they all come tumbling down!



The Art class will kill us!



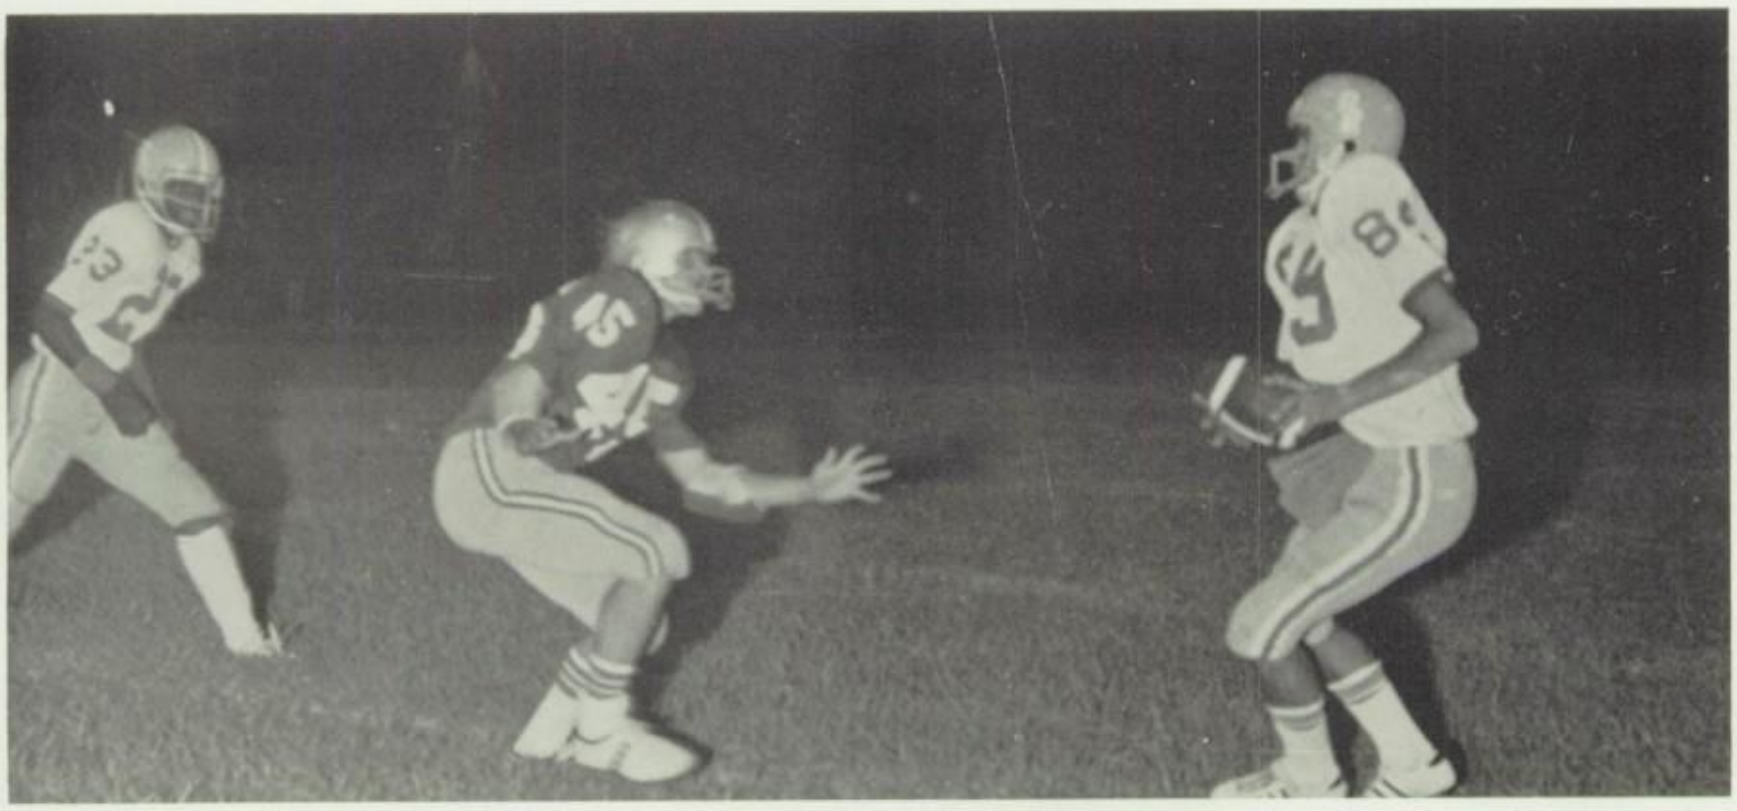
Somebody finally caught Mike.



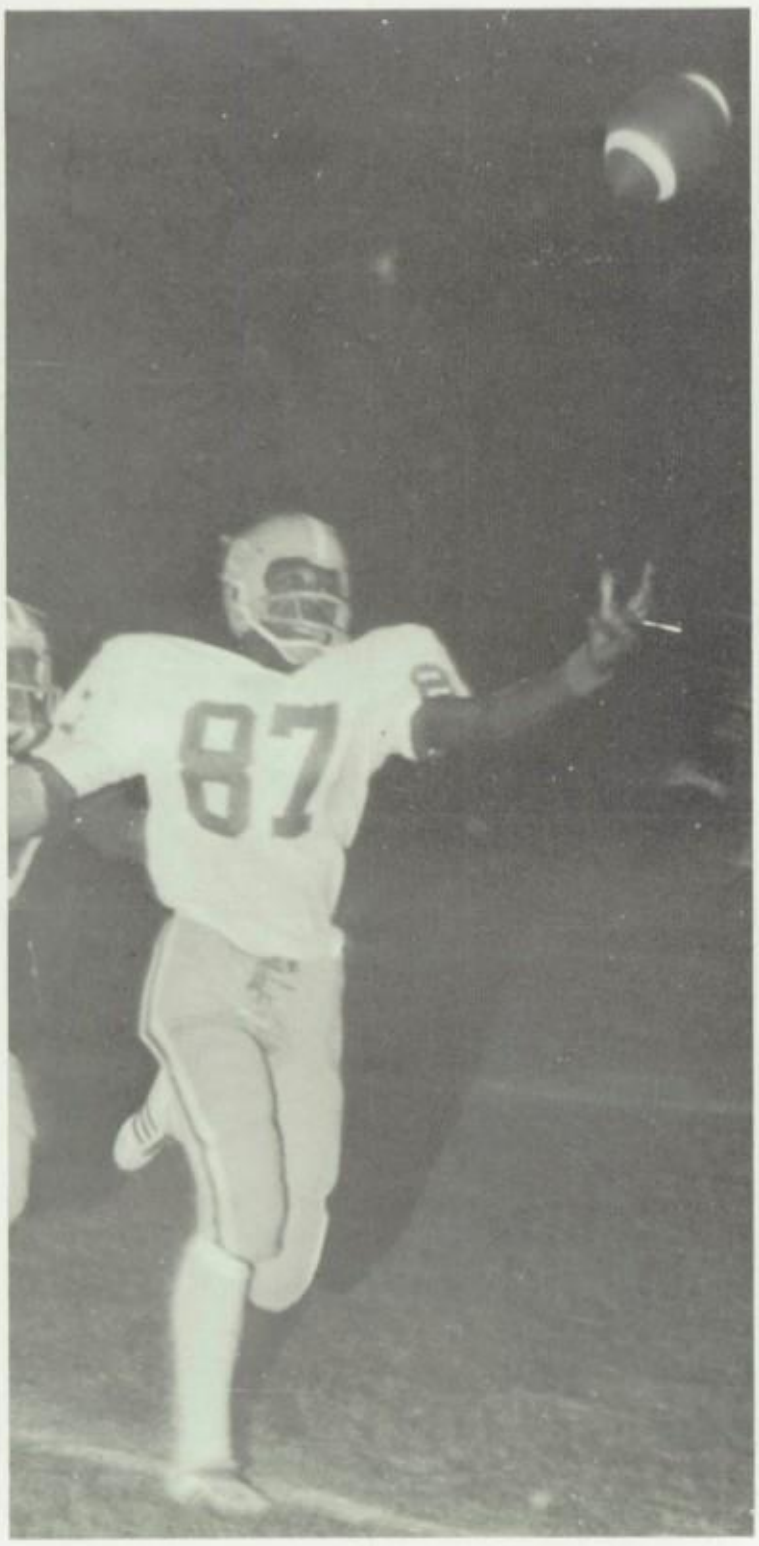
Hall snares Smith aerial.

Homecoming was one of the highlights of our season. Richmond was only the second team to score against us as the Cougars rolled past the Red Raiders by the score of 14-6. Ross was shocked by losing their first game of the season. This was only their second loss in 22 attempts. The loss, however, did not derail the Orange Machine. The Cougars still seek higher goals.

Cougars Fall



"Sorry Bruno, this dance is taken."



Reach out for VICTORY!

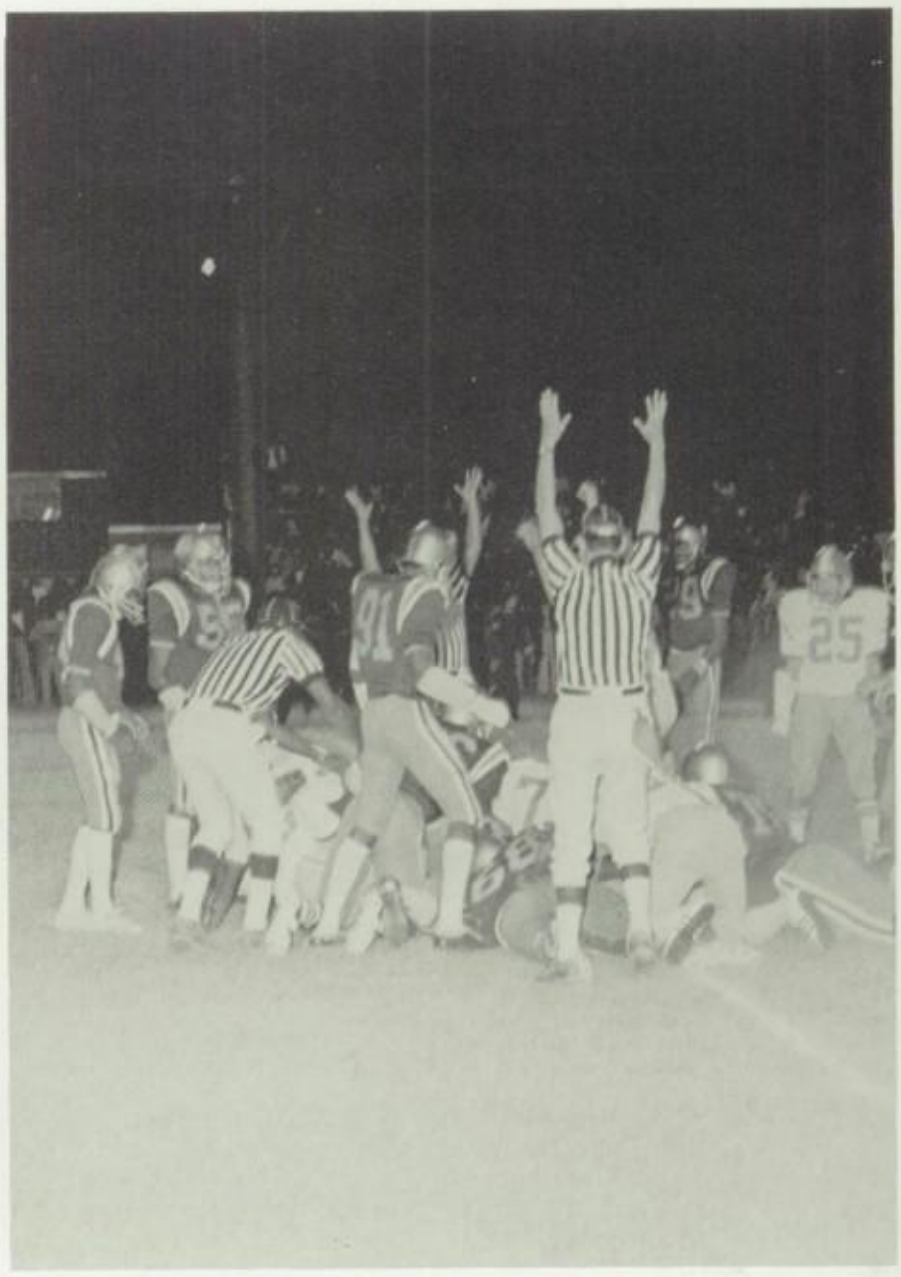
Dear Reggie . . .

"Thanks Roy, I needed that."

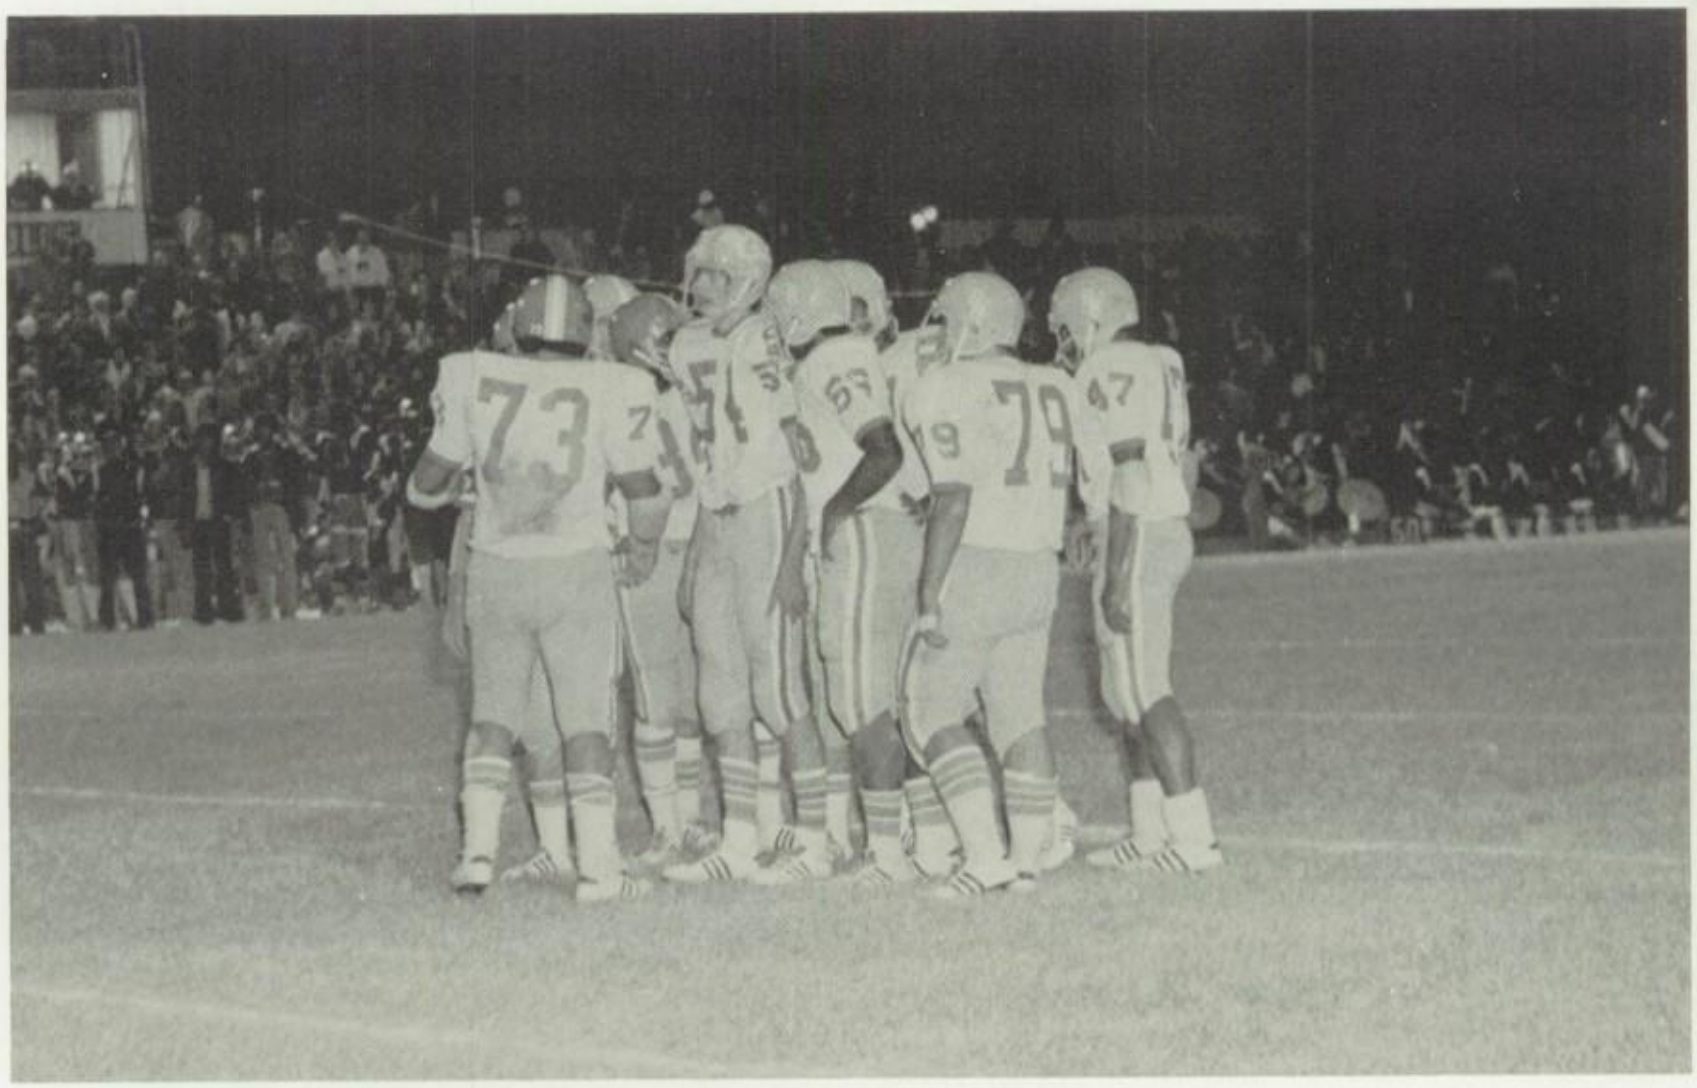
Ross Don't Take No "Bull"

The Mighty Reid Ross Cougars blasted the Bulls from E.E. Smith at their own Homecoming by the score of 7-0. The only touchdown was scored on a one yard plunge by John-Boy Roseborough. This set the stage for a showdown with our archrival "The Terry Sanford Bulldogs." The Bulldogs came to the Cougars' back yard with high aspirations but left FRUSTRATED!!! Our aggressive defense, led by captain Roy Mason completely stymied the Bulldog offense as Ross won 14-6. The final two victories not only decided the city championship but also made us the undisputed victors of the new Division IV Conference. The victory advanced us into the first round playoffs of the State 4-A Championships.

Coach Daskal at work.



Joe goes over from the one.



"Got any threes? . . . Go fish!"

With the Cougar beat!

Washington stops Carter in the backfield.

Where did everybody go?

Roy leads the way for Country Joe!

Ross Ends Season

Reid Ross faced Sanford Central in the first round of the state playoffs. The Cougars played a fine game, however could not hold out against a strong Yellow Jacket team. Ross lost the game by the score of 20-0. The Cougars finished with an overall season record of 9-2. Ross won the division championship of a new conference. Although we did not win the state championship, we would commend the efforts of our fine Cougar football team led by Senior captains Tom Hall, Roy Mason, Bernard Smith, and Mike Beasley. Despite the loss of many graduating Seniors, our fine J.V. squad has shown that Ross has a bright football future.

A tribute to VIOLET GAILE JACKSON
January 31, 1955 July 9, 1973

A sad day in July . . .
how sweet the memories still,
but her death has left a loneliness
the world can never fill.
Yet there is a link death cannot sever,
for love and remembrance last forever.
Memories are treasures no one can steal
but death is a heartache that nothing can heal.
God called her home,
it was his will.
But in our hearts we love her still.
Her memory is as clear today
as in the hour she passed away.

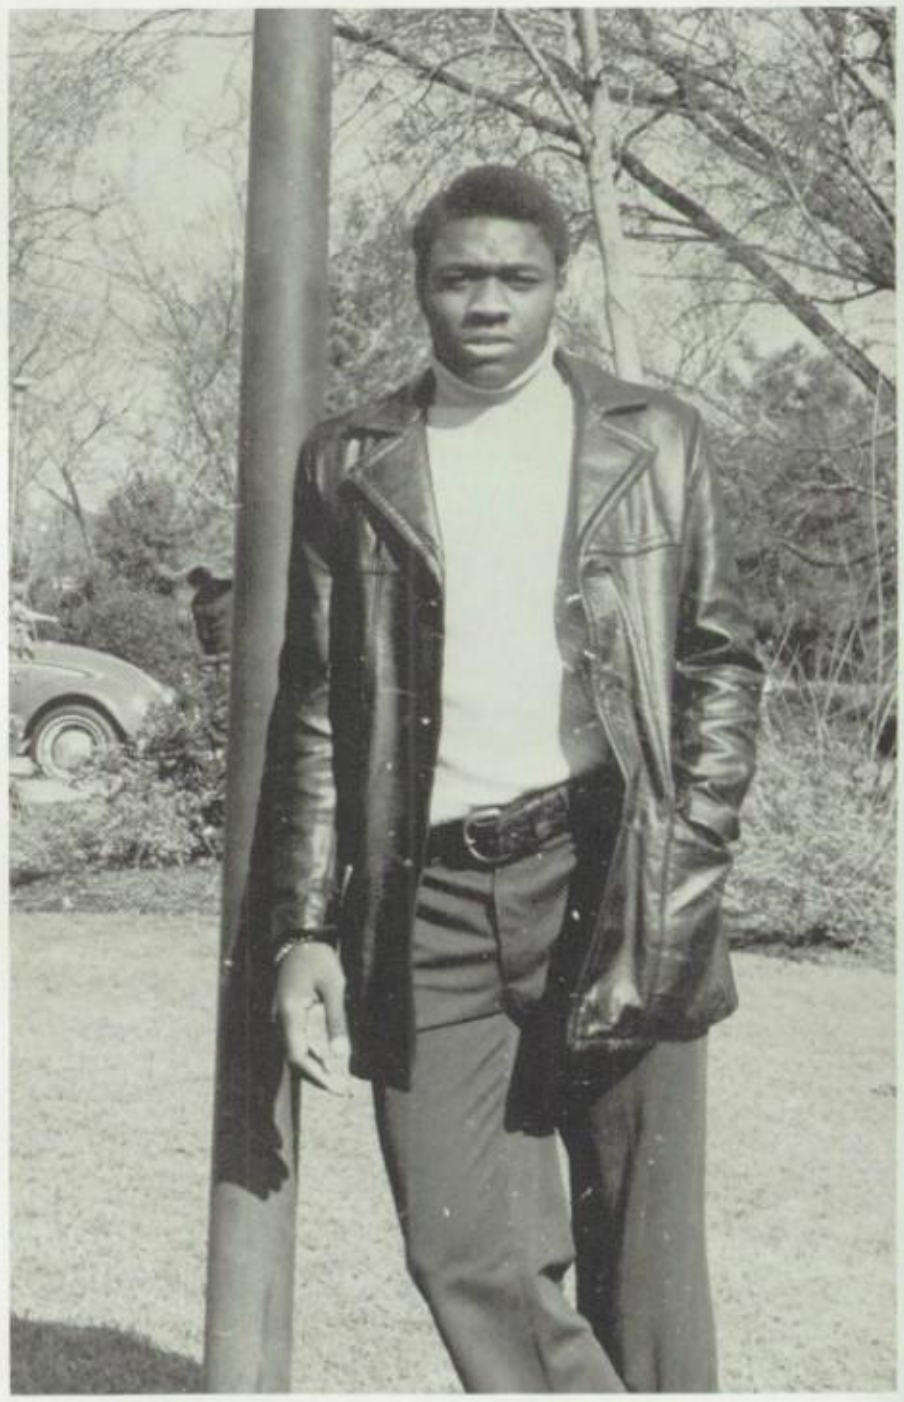
Outstanding Sen

ANNE LYONS, a smiling Cougar fan, has especially typified the qualities of an outstanding senior. She is the president of Tri-Hi-Y, a member of the National Honor Society and Mu Alpha Theta, participated in the Powderpuff game, and served as a marshall in the 1973 graduating exercises. She received the French award during her sophomore year. During Anne's free time, she is involved in roller skating and dancing. She takes both tap and ballet and recently won first prize in the American Legion Tap Contest. "Annie Bounce" also participates in Junior Army Daughters and the Big-Sister project in the Fayetteville community. Anne plans on attending the University of Texas at Austin and will major in accounting.



Better known as the "B" to his friends, MIKE BEASLEY has been an active participant in Student Government his three years at Reid Ross. He has been class president for the past two years and serves on the Governor's Youth Advisory Board. Mike has starred in football and baseball all three years and holds the school record for the most touchdowns in a single Junior Varsity game. For his football prowess he was named to the All City-County team. Mike is the batalion commander for the ROTC command at Ross and a member of the National Honor Society. He was head marshall for the 1973 graduating class, and is an Eagle Scout in the Fayetteville community. In his extra time Michael enjoys "women, records, and having fun." To further his education, Mike hopes to attend either Michigan University or John Hopkins University to study bio-medical engineering.

ors of 1974

MAUREEN HELESE YARBORO is interested in some sort of government job upon graduating from college. She is interested in attending North Carolina State and majoring in accounting. During her years at Ross she has participated in many activities and organizations. As a sophomore she was named to the Fayetteville Cumberland County Youth Council and also received the English Two Award. In her Senior year she served as class vice-president. Maureen has been a faithful member of the girl's club Tri-Hi-Y, the Girl's Athletic Association, the Rohian staff, and the National Honor Society. Her commendations include being named to "Who's Who Among American High School Students" and also a National Merit Commendation. For Maureen, extra-curricular activities include the youth group at her church and the sorority interest group Zeta Phi Beta where she is a Senior Yar.

GARY PITTS, known as "Juanita" to his locker room counterparts, has been described by Coach Daskal as "the most underrated player" on our football team. Gary is a two-year veteran of the varsity football team and has played varsity baseball for three years as well as J.V. basketball. He is a member of the Monogram Club and served as a marshall in the 1973 commencement exercises. His outside activities include sports, cards, and pool. He hopes to attend either Pembroke State University or Gardner-Webb College and will further his studies in the field of business. Gary shows his Cougar spirit on his license plate which reads RHS 74, and is always in attendance at the Reid Ross games . . . especially when we play Pine Forest . . .

Will I Remember

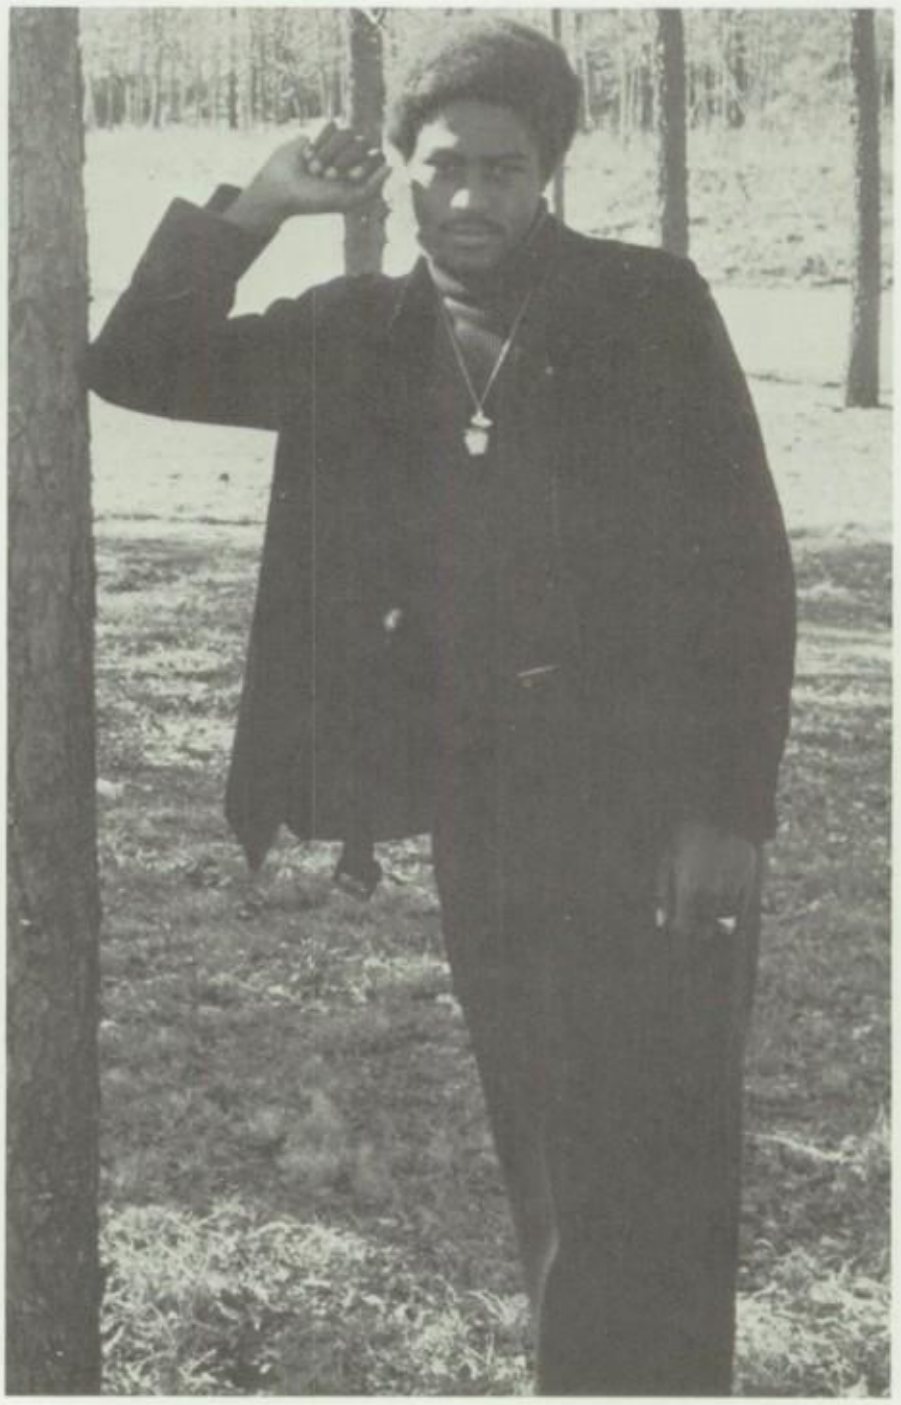
Whether known as TOM HALL or Joe Hall is no matter, because he is always recognized for his "profiling" in sports. Tom has been at Reid Ross all three years of high school and has added greatly to the football team, as well as baseball and Junior Varsity basketball teams. Tom was named to the All-State football team and participated in the 1973 Shrine Bowl Game. As a reward for his great football ability he has received a full four-year football scholarship to Duke University at which he will be in attendance next fall. Tom's great ambition in life is to become a "man of medicine" by studying biological sciences. As well as being an active participant in Miss Kelavas' trig class, Tom is on the Rohian staff, a member of the National Honor Society and Mu Alpha Theta, and he is second in command of ROTC at Ross. In his spare time, of which he says he has none, Tom tinkers with his big, black, '47 Hudson.

RENÉE HICKS has greatly given of herself in each of her three years at Reid Ross. She is a member of the Student Council and is interested in college student government. In her sophomore year she was named to the Fayetteville Cumberland County Youth Council. This year she leads the Human Relations team in which she is very interested. Following her Junior year, Renée was selected to attend Governor's School in Winston-Salem, N.C., she was a National Achievement Finalist and has been named to "Who's Who Among American High School Students." Renée is editor of the 1973-1974 Rohian and keeps the "funny farm" in line in Miss Shelton's absence. She is not, however, all work and no play — In the tenth grade she was first runner-up in the annual Miss RHS Pageant. She enjoys reading and knitting. Chapel Hill is her first choice for a college education but she will most likely find herself at Rutgers in New Jersey. It is definite though that she will major in accounting and become a lawyer.

How I Looked

VERNETTE MCKINNON, our 1973-74 Homecoming Queen, is not only one of the most attractive girls at Ross, but is also active in numerous activities around school. Verne, as her friends call her, is active in the Girl's Athletic Association, the Reid Ross Chorus, and Tri-Hi-Y. She is also Secretary of the Senior Class and Secretary/Treasurer of the Cheerleading Squad, as well as being in Student Council. Her other activities, such as Youth Missionaries, and her church choir, Joyous Sounds of Youth, serve to show Vernette is civic minded as well as school spirited. Vernette's position as the starting senior guard for the Girl's Basketball Team, enables her to keep athletically active as well. Vernette has many hobbies to take up her spare time, which include sewing, bowling, horseback riding, skating, knitting, tennis, and playing the piano. She plans to attend Central University next year where she will major in Business Law. After college, she hopes to pursue either a law or a business career.

ALEXANDER CHANCE stands out in a sport often unrecognized at Reid Ross — track. He has been a member of the track team for the past three years and has received such awards as Most Improved and Most Valuable. Alex ran the 220 in the sectionals and the State track meet last year. "Bo" states that "women, music, and food" are his main concerns, but not necessarily in that order. He is a member of the Black Student Union, Cougar Club, Health Occupations Club, Monogram Club and played football his junior year. He hopes to attend college where he will study physical education to further his career plan of professional athletics. According to Tom Oliver, he holds the school record for eating the most fried chicken at Parkers, which shows exactly what his main concern is!



And What I Did

SUSAN HARRIS PEEL serves Reid Ross as treasurer of the Student Body, and is often seen in the Student Store peddling P.O.T. (pencils, and other thing-a-majigs), or behind the concession stand at home ball games popping corn. Her hobbies include all sports and reading. Next fall she will begin her college education at the University of Vermont at Burlington where she will study mathematics. Susan is active in several clubs at Ross including the National Honor Society of which she is historian. She is also vice-president of Mu Alpha Theta and president of the Science Club.

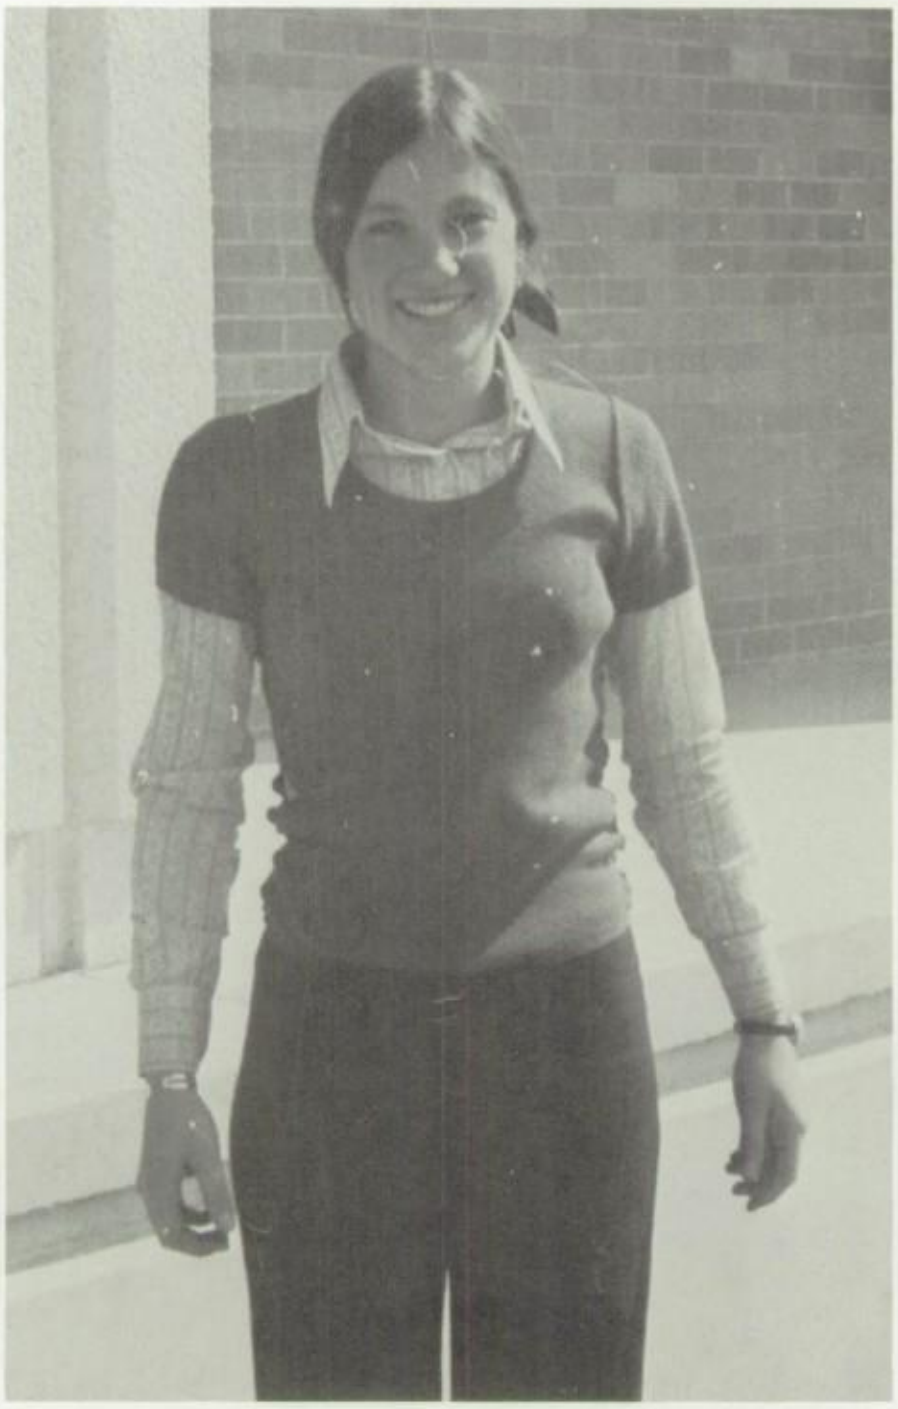
GARY ODELL UZZELL participates in a variety of both community and school activities. He is a member of the FCCYC (Fayetteville Cumberland County Youth Council), the Jack and Jill Service Club, and was recently selected as the October Youth of the Month. During school, he is a loyal member to the Key Club and represents ROTC in Inter-club as the informations officer. "Sweet Pea" is the vice-president of the Reid Ross student body and was chosen as a delegate to the student council District Convention last May. He cites track, bowling, and swimming as his favorite sports. Gary also ran on the track team last spring. He will continue his education at the University of North Carolina at Chapel Hill and plans to study business administration.

When I Was Young?

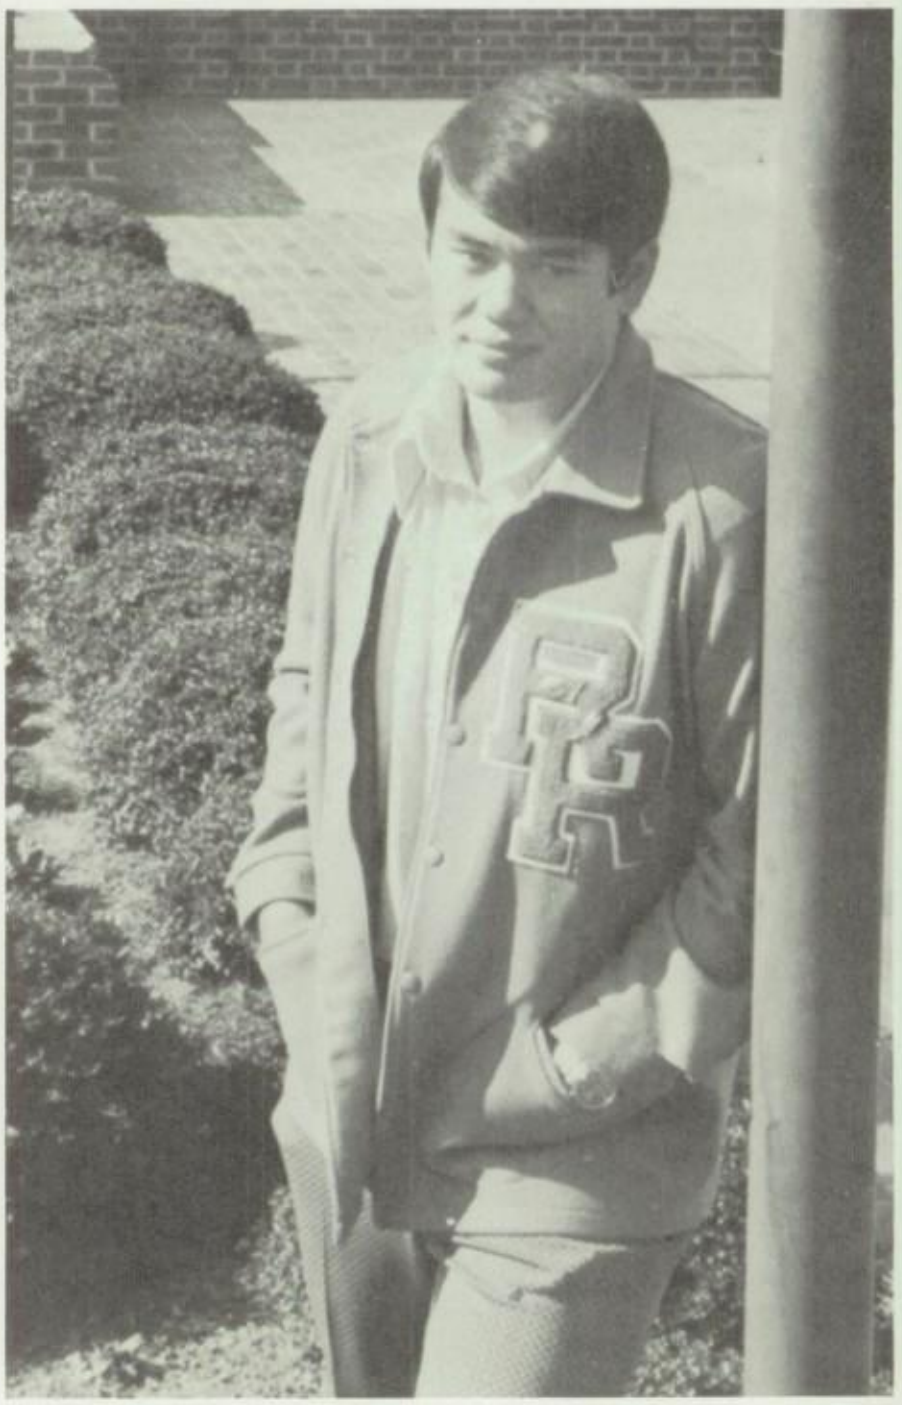
WAYNE NIXON is a stand-out in ROTC, whether it's for his leadership qualities or for never wearing his uniform; nevertheless, he commands "C" company. Wayne has been an active member in Reid Ross student government — serving as the secretary of transportation and Senior class representative. He is a member of the Human Advisory Board and political chairman of the Black History Club. Sustaining an arm injury, Wayne's action in Varsity football was limited. Reading, listening to music, and practicing self-defense are among his pastimes. Wayne hopes to attend West Point or the University of North Carolina at Chapel Hill and will study pre-medicine or psychology.

DONNA HOBBS is involved in both school and community activities. As president of Mu Alpha Theta, Donna attempts to lead less endowed individuals into the intricacies of mathematics. Vice-president of the Library Club and a member of National Honor Society, Donna can often be seen cheering the mighty Cougars on to victory. She enjoys fellowship with the Acteens at the Walstone Baptist Church where she is a member of the Youth Choir. Donna plans to attend North Carolina State in the fall and major in mathematics. Her hobbies include sewing and piano. Though Donna is a quiet individual, she is always there to help others in their studies with a ready smile.

Will I Remember



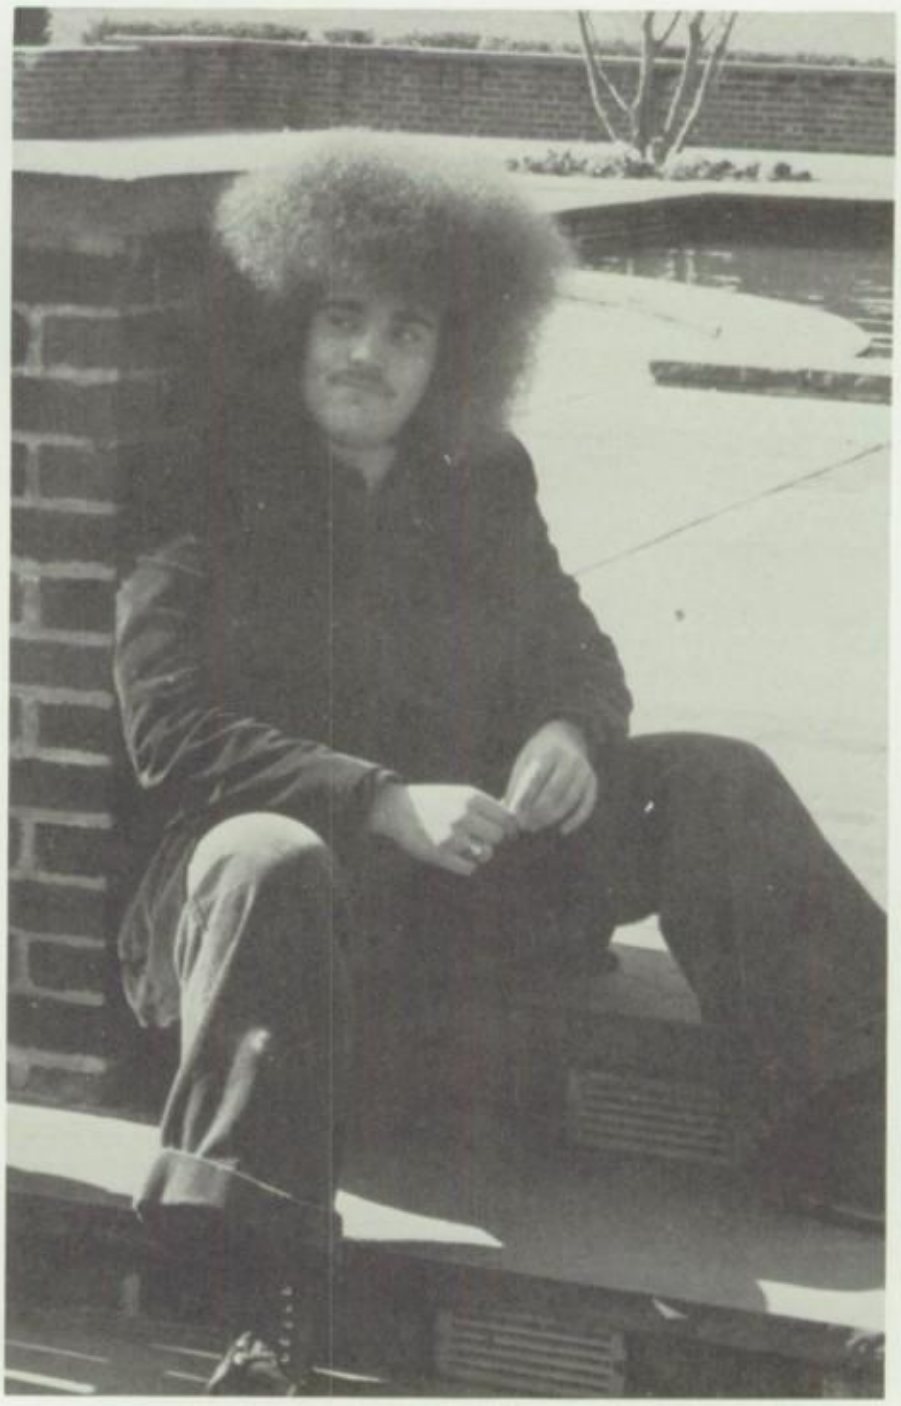
LESLIE MALADOWITZ has become an active Cougar this year, despite her recent move from New York to Fayetteville this fall. She is a member of the Honor Society, as well as being a member of the tennis team. Her spare time is either spent on the tennis court or the ski slopes. Leslie also serves as the statistician for the Girl's Basketball Team, as well as serving ice cream after school on the job. "Lambsie," as Leslie is frequently called, wants to major in Social Science at Springfield College, in Massachusetts next year. All in all, Leslie has had a very productive year at Ross, which is no doubt a shadow of things to come, if Leslie remains the interesting and friendly person she is today.



ARNOLD GREENWELL, one of our biggest sports assets, is known around Ross as "Sumo." Arnold is President of Hi-Y, and participates in Mu Alpha Theta, and Monogram Club. He has taken part in varsity football since his sophomore year and has received the Who's Who in National High School Football Award, as well as being chosen for the All Conference football team his junior year and the All City-County team this year. His two previous years on the wrestling team and his letter for track, further substantiate his athletic prowess. Arnold lists his hobbies as "flying airplanes, Sharon,and basketball," preferably not in that order. He will attend either N.C. State or East Carolina University next year, where he plans to major in either Physical Science or Marine Biology.

What I Wondered?

JOYCE IRBY, one of the best known people at Ross, participates in many facets of life at school. She is an active member of the Black Student Union, as well as belonging to the Girl's Athletic Association and the Reid Ross Chorus. Her athletic ability has been shown to all this year as she participated in Girl's Basketball and Softball. Joyce enjoys dancing, singing, and playing the bass guitar, along with writing poetry in her quieter moments. A friendly and active person in school, Joyce talks to many people and gets their views on prominent issues which she subsequently puts into action as Student Body President. Joyce plans to attend NCCU next year, where she will study to enter the law enforcement field after college.



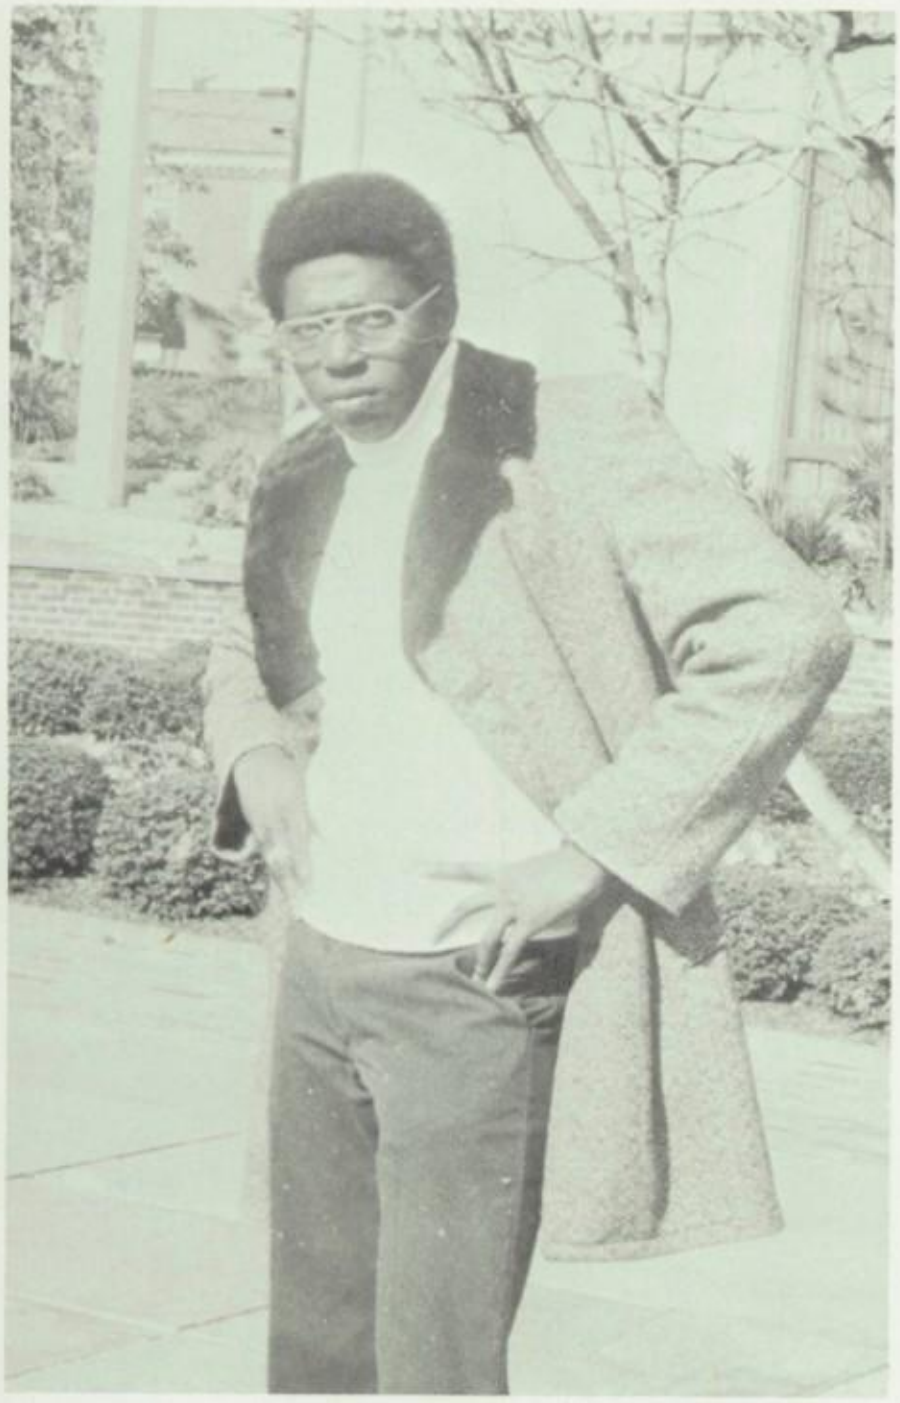
TIM FARLEY, a faithful Cougar for three years, is involved in many activities which show his spirit for Reid Ross. He is Secretary of Transportation for Student Council and can be seen smiling slyly while walking down the hall; no doubt because he enjoys giving parking tickets to unsuspecting drivers. He is the President of the German Club, while also participating in Honor Society, Mu Alpha Theta, and Interclub. Tim enjoys playing basketball and tennis during his free time, as well as a challenging game of chess occasionally. Aside from his afro, Tim's collection of 380 records is his pride and joy. Affectionately known as "Fuzzy" by his friends, Tim hopes to major in Medicine at Duke University this next fall.

When I Am Old

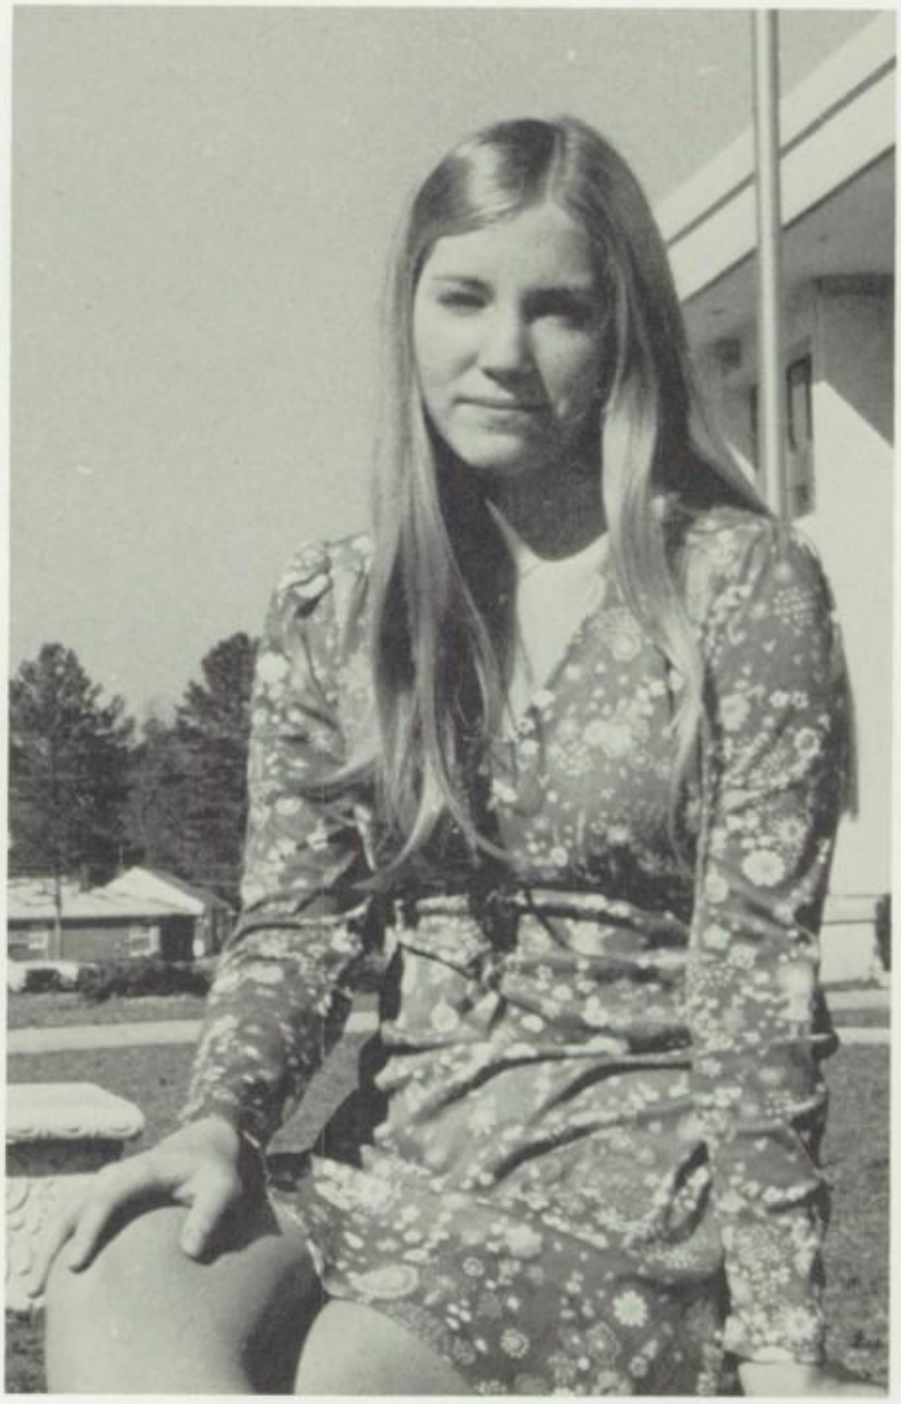
David's first choice is Northwestern and his second is the University of Illinois, but wherever he continues his education he will study in the field of journalism. DAVID DEAN WAYMIRE has diligently served Reid Ross all three years of his secondary education. As a Senior he is editor of the school newspaper, *Paw Prints,* vice-president of the National Honor Society, and is on the Student Advisory Board and the Leadership Team. David has played both football and tennis each of his years here. He is a very loyal and spirited cheerleader at the majority of school sports competition. Even though he is not an actual member of the Varsity basketball team, David is right out-of-bounds yelling for Ross and yelling with its coaches. The summer following his Junior year, David attended Governor's School to which he was so honorably selected. Other commendations include being chosen as a Moorehead Scholar Nominee and also as a National Merit Finalist.

A well-rounded individual, THOMASA NASH has greatly contributed to the spirit and morale at Reid Ross for varsity cheering both her junior and senior years. Known as "Tosay," our head cheerleader leads the Cougar fans and Ber-Ber to victory. She is a member of Mu Alpha Theta, Tri-Hi-Y, the Rohian staff, has participated in Powderpuff and holds the office of Secretary of the Interior in the Reid Ross Student Council. Thomasa is known to be an addict to the famed pen of Barbara Cartland and enjoys reading and Ber-Ber in her spare time. Aspiring to be a head Mafia agent, she hopes to attend the University of North Carolina at Greensboro this fall, and plans on nursing as her college major.

Who Will I Be?



ANTHONY McNEILL is an outstanding member of the Reid Ross band. He plays the tuba and quite recently won second prize in the Methodist College Band Competition. He is an active participant of the Reid Ross Hi-Y Club and is also in the ROTC command under Col. Hargis. Tony enjoys fixing up modern cars and music during his free time. Attending Ross for three years has been quite an experience according to Anthony and he plans to further his education at Fayetteville State University in studying business administration.



LYN FERGUSON came to Ross from Springfield, Virginia last year. Since then, Lyn has become a loyal cougar and has participated in many activities at Ross. She is a representative for the Senior Class in Student Council, Secretary of Mu Alpha Theta, Treasurer of VICA Club, as well as being on the Human Advisory Board. She was voted first runner-up at Homecoming this year and is a varsity cheerleader. Her community activities include her membership in the Junior Army Daughters of America, and her performance in the stage production of "Applause" last year. Lyn's favorite pastimes include dancing and swimming. She is currently planning to attend Clemson University, in South Carolina, where she will major in Medical Technology.

Still Me?

CATHY STRANGE, short for "Strangelove," is active in a variety of Reid Ross organizations and sports activities. Cathy is a member of this year's Student Council and is in Inter-Club Council because she is president of the Girl's Athletic Association. In the field of sports, Cathy played on the girl's tennis team and girl's basketball team in the number two position and starting forward, respectively. To show for her excellence in basketball, Cathy has been named to the All-Star Team. Cathy greatly enjoys "hoop" and in her spare time is an instructor in a clinic for the Fayetteville Recreation Department. Pertaining to football, she has been varsity team statistician and has also participated in the girl's Powderpuff games. Cathy is planning on attending UNCG and majoring in either physical education or psychology.

Commonly known as "Poop" to everyone, CORNELIUS WASHINGTON has been one of our most outstanding athletes in both football and basketball this year. Although he enjoys all sports in general, he prefers these two sports. He is a member of the Black Student Union, as well as the Monogram Club, and attends services at Smith Chapel Church. As a result of his athletic ability, he has received a football scholarship offer from Winston-Salem State College, where he plans to major in Sociology. Cornelius enjoys being with people, but also likes quiet moments alone occasionally. Although undecided about his future, Cornelius says he might become a social worker after college.
